Our Operating Bulletin No. 5, which became effective January 1, 1945, provides that shipments of currency of \$1 and \$2 denominations, in amounts exceeding \$500, should be forwarded to us by express.

In view of a recent increase in express rates involving interstate money shipments, we request that all shipments of currency to us, regardless of denomination or amount, be forwarded by registered mail hereafter. Shipments of coin of all denominations should continue to be sent to us by express.

Your cooperation in this matter will be very much appreciated.

Yours very truly,

L. G. Pondrom
Vice President and Cashier
