Dallas, Texas, November 14, 1949

**1950 DATES FOR SAVINGS BONDS
VALIDATING AND PAYMENT STAMPS**

**To All Qualified Issuing Agents and Paying Agents
in the Eleventh Federal Reserve District:**

In many cases the sets of rubber dates furnished issuing agents and qualified paying agents, at the time the stamps were prepared, do not contain dates for the year 1950.

To assure that all validating stamps or payment stamps used on and after January 1 contain the year 1950, this bank should be advised of your needs at this time.

It will be appreciated if you will complete and return the attachment in order that we may supply you with the desired number of rubber dates.
