

FEDERAL RESERVE BANK OF DALLAS  
DALLAS 13, TEXAS

April 2, 1953

**To the Member and Nonmember Clearing Banks  
of the Eleventh Federal Reserve District:**

We are informed by the Federal Reserve Bank of Kansas City that under authority of Nebraska statutes, the commercial banks in Omaha have announced that they will remain closed on Saturdays beginning April 4, 1953. Consistent with such action, and under the same authority, the Omaha Branch of the Federal Reserve Bank of Kansas City will remain closed on Saturdays. Each Saturday on and after that date will be a legal holiday in all respects affecting the Omaha Branch, and the books of the Omaha Branch will be closed on those days.

The Omaha Branch will continue to handle deferred credit items received up to 10:30 a.m. on Saturdays, and Saturday will be counted as a business day in determining the time when credit will be given for such items.

Due consideration should be given to the Saturday closing referred to with respect to transfers of funds to and from banks in the territory served by the Omaha Branch of the Federal Reserve Bank of Kansas City. Attention is also called to the possibility of there being a delay in the return of dishonored cash items and in the receipt of advice of the nonpayment of such items.

Yours very truly,

R. R. GILBERT

President
