

**FEDERAL RESERVE BANK  
OF DALLAS**

**Dallas, Texas, November 26, 1954**

**To the Member Banks in the Eleventh  
Federal Reserve District:**

Enclosed is a specimen copy of Form C-7, Comparative Statements, designed for the use of banks in maintaining a brief history of the financial condition of borrowers over a period of years. By use of this form, the financial statements received from borrowers, agricultural and livestock as well as commercial, may be summarized in the appropriate columns and thus provide a convenient record for the bank's own credit files.

The Comparative Statement forms are carried in stock by this bank and its branches at El Paso, Houston and San Antonio. These forms, as well as our Financial Statement Forms C-5 and C-6 and our Chattel Mortgage Form C-2, are available to our member banks without charge. We shall be glad to give prompt attention to all requests for these forms.

**Yours very truly,**

**WATROUS H. IRONS**

**President**
