

**FEDERAL RESERVE BANK
OF DALLAS**

Dallas, Texas, April 24, 1959

**To the Member and Nonmember Clearing Banks
of the Eleventh Federal Reserve District:**

This refers to our circular letter of April 20, 1959, which listed the Federal Reserve banks and branches that will observe Daylight Saving Time this year, and indicated the periods during which such time would be observed.

In addition to the banks listed in that circular, we are now informed that the Federal Reserve Bank of Minneapolis will observe Daylight Saving Time during the period April 26 to September 27, 1959. For that period, our time limit for the acceptance of wire transfers to that bank for completion on date of receipt will be one hour earlier than the time shown on our schedule attached to Bulletin No. 6.

Yours very truly,

Watrous H. Irons
President
