I. OFFERING OF CERTIFICATES

1. The Secretary of the Treasury, pursuant to the authority of the Second Liberty Bond Act, as amended, invites subscriptions, at par, from the people of the United States for certificates of indebtedness of the United States, designated 3 1/4 percent Treasury Certificates of Indebtedness of Series B-1964, in exchange for the following securities, all of which mature May 15, 1963:
   - 3 1/4 percent Treasury Certificates of Indebtedness of Series B-1963;
   - 4 percent Treasury Notes of Series B-1963; or
   - 3 1/4 percent Treasury Notes of Series D-1963.

The amount of the offering under this circular will be limited to the amount of eligible securities tendered in exchange and accepted. The books will be open only on April 29 through May 1, 1963, for the receipt of subscriptions for this issue.

2. In addition to the offering under this circular, holders of the eligible securities are offered the privilege of exchanging all or any part of such securities for 3 percent Treasury Notes of Series B-1966 (additional issue), which offering is set forth in Department Circular, Public Debt Series—No. 9-63, issued simultaneously with this circular.

II. DESCRIPTION OF CERTIFICATES

1. The certificates will be dated May 15, 1963, and will bear interest from that date at the rate of 3 1/4 percent per annum, payable semiannually on November 15, 1963, and May 15, 1964. They will mature May 15, 1964, and will not be subject to call for redemption prior to maturity.

2. The income derived from the certificates is subject to all taxes imposed under the Internal Revenue Code of 1954. The certificates are subject to estate, inheritance, gift or other excise taxes, whether Federal or State, but are exempt from all taxation now or hereafter imposed on the principal or interest thereof by any State, or any of the possessions of the United States, or by any local taxing authority.

3. The certificates will be acceptable to secure deposits of public moneys. They will not be acceptable in payment of taxes.

4. Bearer certificates with interest coupons attached will be issued in denominations of $1,000, $5,000, $10,000, $100,000, $1,000,000, $100,000,000 and $500,000,000. The certificates will not be issued in registered form.

5. The certificates will be subject to the general regulations of the Treasury Department, now or hereafter prescribed, governing United States certificates.

III. SUBSCRIPTION AND ALLOTMENT

1. Subscriptions will be received at the Federal Reserve Banks and Branches and at the Office of the Treasurer of the United States, Washington 25, D. C. Banking institutions generally may submit subscriptions for account of customers, but only the Federal Reserve Banks and the Treasury Department are authorized to act as official agencies.

2. The Secretary of the Treasury reserves the right to reject or reduce any subscription, and to allot less than the amount of certificates applied for; and any action he may take in these respects shall be final. Subject to these reservations, all subscriptions will be allotted in full. Allotment notices will be sent out promptly upon allotment.
IV. PAYMENT

1. Payment for the face amount of certificates allotted hereunder must be made on or before May 15, 1963, or on later allotment, and may be made only in securities of the three issues enumerated in paragraph 1 of Section I hereof, which will be accepted at par, and should accompany the subscription. Coupons dated May 15, 1963, should be detached from the certificates and notes in bearer form and cashed when due. In the case of registered notes of Series D-1963, the final interest due on May 15, 1963, will be paid by check drawn in accordance with the assignments on the notes surrendered, or by credit in any account maintained by a banking institution with the Federal Reserve Bank of its District.

V. ASSIGNMENT OF REGISTERED NOTES

1. Treasury Notes of Series D-1963 in registered form tendered in payment for certificates offered hereunder should be assigned by the registered payees or assignees thereof to “The Secretary of the Treasury for exchange for 3½ percent Treasury Certificates of Indebtedness of Series B-1964 to be delivered to_____________________________,” in accordance with the general regulations of the Treasury Department governing assignments for transfer or exchange, and thereafter should be surrendered with the subscription to a Federal Reserve Bank or Branch or to the Office of the Treasurer of the United States, Washington 25, D. C. The notes must be delivered at the expense and risk of the holder.

VI. GENERAL PROVISIONS

1. As fiscal agents of the United States, Federal Reserve Banks are authorized and requested to receive subscriptions, to make allotments on the basis and up to the amounts indicated by the Secretary of the Treasury to the Federal Reserve Banks of the respective Districts, to issue allotment notices, to receive payment for certificates allotted, to make delivery of certificates on full-paid subscriptions allotted, and they may issue interim receipts pending delivery of the definitive certificates.

2. The Secretary of the Treasury may at any time, or from time to time, prescribe supplemental or amendatory rules and regulations governing the offering, which will be communicated promptly to the Federal Reserve Banks.

The amount of the offering under this circular will be limited to the amount of eligible securities tendered in exchange and accepted. The books will be open only on April 29 through May 1, 1963, for the receipt of subscriptions for this issue.

2. In addition to the offering under this circular, holders of the eligible securities are offered the privilege of exchanging all or any part of such securities for 3 1/4 percent Treasury Certificates of Indebtedness of Series B-1964, which offering is set forth in Department Circular, Public Debt Series — No. 8-63, issued simultaneously with this circular.

II. DESCRIPTION OF NOTES

1. The notes now offered will be an addition to and will form a part of the 3 1/4 percent Treasury Notes of Series B-1966 issued pursuant to Department Circular, Public Debt Series — No. 10-62, dated April 30, 1962, will be freely interchangeable with, and are identical in all respects therewith except that interest on the notes to be issued under this circular will accrue from May 15, 1963. Subject to the provision for the accrual of interest from May 15, 1963, on the notes now offered, the notes are described in the following quotation from Department Circular, Public Debt Series — No. 10-62:

"1. The notes will be dated May 15, 1962, and will bear interest from that date at the rate of 3 1/4 percent per annum, payable on a semiannual basis on August 15, 1962, and thereafter on February 15 and August 15 in each year until the principal amount becomes payable. They will mature February 15, 1966, and will not be subject to call for redemption prior to maturity.

2. The income derived from the notes is subject to all taxes imposed under the Internal Revenue Code of 1954. The notes are subject to estate, inheritance, gift or other excise taxes, whether Federal or State, but are exempt from all taxation now or hereafter imposed on the principal or interest thereof by any State, or any of the possessions of the United States, or by any local taxing authority.

3. The notes will be acceptable to secure deposits of public moneys. They will not be acceptable in payment of taxes.

4. Bearer notes with interest coupons attached, and notes registered as to principal and interest, will be issued in denominations of $1,000, $5,000, $10,000, $100,000, $1,000,000, $100,000,000 and $500,000,000. Provision will be made for the interchange of notes of different denominations and of coupon and registered notes, and for the transfer of registered notes, under rules and regulations prescribed by the Secretary of the Treasury.

5. The notes will be subject to the general regulations of the Treasury Department, now or hereafter prescribed, governing United States notes."

III. SUBSCRIPTION AND ALLOTMENT

1. Subscriptions will be received at the Federal Reserve Banks and Branches and at the Office of the Treasurer of the United States, Washington 25, D. C. Banking institutions generally may submit subscriptions for account of customers, but only the Federal Reserve Banks and the Treasury Department are authorized to act as official agencies.
2. All subscribers requesting registered notes will be required to furnish appropriate identifying numbers as required on tax returns and other documents submitted to the Internal Revenue Service, i.e., an individual's social security number or an employer identification number.

3. The Secretary of the Treasury reserves the right to reject or reduce any subscription, and to allot less than the amount of notes applied for; and any action he may take in these respects shall be final. Subject to these reservations, all subscriptions will be allotted in full. Allotment notices will be sent out promptly upon allotment.

1. Payment for the face amount and accrued interest from February 15 to May 15, 1963 ($8.91229 per $1,000) for notes allotted hereunder must be made on or before May 15, 1963, or on later allotment. Payment for the notes allotted may be made only in securities of the three issues enumerated in paragraph 1 of Section I hereof, which will be accepted at par, and should accompany the subscription. Payment will not be deemed to have been completed where registered notes are requested if the appropriate identifying number, as required by paragraph 2 of Section III hereof, has not been furnished; provided, however, if a subscriber has applied for but is unable to furnish the identifying number by the payment date only because it has not been issued, he may elect to receive, pending the furnishing of the identifying number, interim receipts and in this case payment will be deemed to have been completed. Coupons dated May 15, 1963, should be detached from the certificates and notes in bearer form and cashed when due. In the case of registered notes of Series D-1963, the final interest due on May 15, 1963, will be paid by check drawn in accordance with the assignments on the notes surrendered, or by credit in any account maintained by a banking institution with the Federal Reserve Bank of its District.

C. The maturing notes must be delivered at the expense and risk of the holder. If the new notes are desired registered in the same name as the notes surrendered, the assignment should be to “The Secretary of the Treasury for exchange for 3% percent Treasury Notes of Series B-1966 in the name of__________________________”; if the new notes are desired registered in another name, the assignment should be to “The Secretary of the Treasury for exchange for 3% percent Treasury Notes of Series B-1966 in the name of__________________________”; if new notes in coupon form are desired, the assignment should be to “The Secretary of the Treasury for exchange for 3% percent Treasury Notes of Series B-1966 in coupon form to be delivered to__________________________”.

VI. GENERAL PROVISIONS

As fiscal agents of the United States, Federal Reserve Banks are authorized and requested to receive subscriptions, to make allotments on the basis and up to the amounts indicated by the Secretary of the Treasury to the Federal Reserve Banks of the respective Districts, to issue allotment notices, to receive payment for notes allotted, to make delivery of notes on full-paid subscriptions allotted, and they may issue interim receipts pending delivery of the definitive notes.

2. The Secretary of the Treasury may at any time, or from time to time, prescribe supplemental or amendatory rules and regulations governing the offering, which will be communicated promptly to the Federal Reserve Banks.
