

FEDERAL RESERVE BANK OF DALLAS
DALLAS, TEXAS

June 28, 1963

To the Bank Addressed:

We have been advised that the City Bank & Trust Company, Dallas, Texas, a newly organized, insured, nonmember bank located in the territory served by the head office of the Federal Reserve Bank of Dallas, will open for business on July 1, 1963. The bank has notified us that payment will be made at par for checks drawn on it.

Checks drawn on this bank will be handled by us on an immediate credit basis and will be collected through the Dallas Clearing House Association. The fractional transit number of the new bank is $\frac{32-101}{1110}$.
