Department Circular No. 905, Third Revision, dated December 23, 1964, and the tables incorporated therein (31 CFR 332), are hereby further amended and reissued as the Fourth Revision.

**AUTHORITY:** Secs. 332.1 to 332.14 issued under authority of Secs. 22 and 25 of the Second Liberty Bond Act, as amended, 49 Stat. 21, as amended, and 73 Stat. 621 (31 U.S.C. 757c, 757c-1).

**Sec. 332.1. Offering of bonds.**—The Secretary of the Treasury hereby offers for sale to the people of the United States, United States Savings Bonds of Series H, hereinafter generally referred to as Series H bonds. This offering of bonds will continue until terminated by the Secretary of the Treasury.

**Sec. 332.2. Description of bonds.**—(a) *General.*—Series H bonds bear a facsimile of the signature of the Secretary of the Treasury and of the Seal of the Treasury Department. They are issued only in registered form and are non-transferable.

(b) *Denominations and prices.*—Series H bonds are issued at par and are available in denominations of \$500, \$1,000, \$5,000 and \$10,000.

(c) *Inscription and issue.*—At the time of issue the issuing agent will (1) inscribe on the face of each Series H bond the name, taxpayer identifying number,<sup>1</sup> and address of the owner, and the name of the beneficiary, if any, or the name and address of the first-named coowner and the taxpayer

identifying number<sup>1</sup> of one coowner, (2) enter in the upper right-hand portion of the bond the issue date, and (3) imprint the agent's dating stamp in the lower right-hand portion to show the date the bond is actually inscribed. A Series H bond shall be valid only if an authorized issuing agent receives payment therefor and duly inscribes, dates, stamps and delivers it in accordance with the purchaser's instructions.

(d) *Term.*—A Series H bond will be dated as of the first day of the month in which payment therefor is received by an agent authorized to issue such bonds. This date is the issue date and the bond will mature and be payable ten years from such issue date. The bond may not be called for redemption by the Secretary of the Treasury prior to maturity, but may be redeemed AT PAR after six months from issue date, at the

<sup>1</sup> The number required to be used on tax returns and other documents submitted to the Internal Revenue Service (an individual's social security account number or employer identification number). If the coowners are husband and wife, the husband's number should be furnished. If the coowners are a minor and an adult, the adult's number should be furnished.

owner's option, but only upon one calendar month's notice as provided in Sec. 332.10.

(e) *Interest (investment yield).*—The interest on a Series H bond will be paid semiannually by check drawn to the order of the registered owner or coowners, beginning six months from issue date. Interest payments will be on a graduated scale, fixed to produce an investment yield of approximately 4.15 percent per annum compounded semiannually, if the bond is held to maturity;<sup>2</sup> but the yield will be less if the bond is redeemed prior to maturity. See table 1. Interest will cease at maturity or, in the case of redemption before maturity, at the end of the interest period next preceding the date of redemption, except that if the date of redemption falls on an interest payment date, interest will cease on that date.

(f) *Bonds with issue dates December 1, 1965, or thereafter.*—Series H bonds with issue dates of December 1, 1965, or thereafter, are deemed to be Series H bonds issued under the terms of this circular and the interest (investment yield) provided for in subsection (e), above, is applicable to such bonds. Series H bond stock on sale prior to December 1, 1965, will be used for issue under this circular until such time as new stock is printed and supplied to issuing agents. **SUCH BONDS HAVE THE NEW INTEREST RATE AS FULLY AS IF EXPRESSLY SET FORTH IN THE TEXT OF THE BONDS.** It will be unnecessary for owners to exchange bonds issued on the old stock for bonds on the new stock as the Treasury Department will issue interest checks for the bonds in the appropriate amounts as set forth in table 1. However, when the new stock becomes available, issuance on the new stock may be obtained by presentation for that purpose of bonds issued on the old stock to any Federal Reserve Bank or Branch, or to the Treasurer of the United States, Securities Division, Washington, D.C. 20220.

Sec. 332.3. *Governing regulations.*—Series H bonds are subject to the regulations of the Treasury Department, now or hereafter prescribed, governing United States Savings Bonds, contained in Department Circular No. 530, current revision (31 CFR 315).<sup>3</sup>

Sec. 332.4. *Registration.*—(a) *General.*—Generally, only residents of the United States, its territories and possessions, the Commonwealth of Puerto Rico, the Canal Zone and citizens of the United States temporarily residing abroad are eligible to be named as owners of Series H bonds. The bonds may be registered in the names of natural persons in their own right as provided in (b) of this section, and in the names and titles or capacities of fiduciaries and organizations as provided in (c) of this section. Full information regarding authorized forms of registration and restrictions with respect thereto will be found in the governing regulations.

(b) *Natural persons in their own right.*—The bonds may be registered in the names of natural

persons (whether adults or minors) in their own right, in single ownership, coownership, and beneficiary forms.

(c) *Others.*—The bonds may be registered in single ownership form in the names of fiduciaries and private and public organizations, as follows:

(1) *Fiduciaries.*—In the names of and showing the titles or capacities of any persons or organizations, public or private, as fiduciaries (including trustees, legal guardians or similar representatives, and certain custodians) but not where the fiduciary would hold the bonds merely or principally as security for the performance of a duty, obligation, or service.

(2) *Private and public organizations.*—In the names of private or public organizations (including private corporations, partnerships, and unincorporated associations, and States, counties, public corporations, and other public bodies), in their own right, but not in the names of commercial banks.<sup>4</sup>

Sec. 332.5. *Limitations on holdings.*—The amount of Series H bonds originally issued during any one calendar year that may be held by any one person at any one time, computed in accordance with the governing regulations, is limited, as follows:

(a) *General limitation.*—\$20,000 (face value) for the calendar year 1962 and each calendar year thereafter.

(b) *Special limitation for owners of savings bonds of Series F, G, J, and K.*—Owners, except commercial banks<sup>4</sup> in their own right (as distinguished from a representative or fiduciary capacity), of outstanding bonds of Series F and G, all of which are now matured, and bonds of Series J and K, at or after maturity, may apply the proceeds of such bonds to the purchase of Series H bonds without regard to the general limitation on holdings, under the following restrictions and conditions:

(1) The bonds must be presented to a Federal Reserve Bank or Branch, the Office of the Treasurer of the United States, Securities Division, or the Bureau of the Public Debt, Division of Loans and Currency Branch, for the specific purpose of taking advantage of this privilege. The Series H bonds will be dated as of the first day of the month in which the bonds presented are received by the issuing agent.

(2) Series H bonds may be purchased with the proceeds of the bonds presented only up to the denominational amounts that the proceeds thereof will fully cover. Any differ-

<sup>2</sup> Under authority of Sec. 25, 73 Stat. 621 (31 U.S.C. 757c-1), the President of the United States on February 16, 1966, concluded that with respect to Series H bonds it was necessary in the national interest to exceed the maximum interest rate and investment yield prescribed in Sec. 22 of the Second Liberty Bond Act, as amended (31 U.S.C. 757c).

<sup>3</sup> Copies may be obtained on application to any Federal Reserve Bank or Branch or the Bureau of the Public Debt, Washington, D.C. 20220, or its Chicago Office, 536 South Clark Street, Chicago, Ill. 60605.

<sup>4</sup> Commercial banks, as defined in Sec. 315.7(c)(1), Department Circular No. 530, current revision, for this purpose are those accepting demand deposits.

ence between such proceeds and the purchase price of the Series H bonds will be paid to the owner.

(3) The Series H bonds will be registered in the name of the owner in any authorized form of registration subject to the restrictions prescribed by the governing regulations.

(4) This privilege will continue until terminated by the Secretary of the Treasury.

(c) *Exchanges pursuant to Department Circular No. 1036, as amended.*—Series H bonds issued in exchange for bonds of Series E or Series J under the provisions of Department Circular No. 1036, as amended (31 CFR 339), are exempt from the annual limitation.

Sec. 332.6. *Purchase of bonds.*—(a) *Agents.*—Only the Federal Reserve Banks and Branches and the Treasury Department are authorized to act as official issuing agents for the sale of Series H bonds. However, commercial banks and trust companies may forward applications for purchase of the bonds. The date of receipt of the application and payment to an issuing agent will govern the issue date of the bonds purchased.

(b) *Application for purchase and remittance.*—The applicant for purchase of Series H bonds should furnish (1) instructions for registration of the bonds to be issued, which must be in authorized form, (2) the appropriate taxpayer identifying number,<sup>1</sup> (3) the post office address of the owner or first-named coowner, and (4) the address for delivery of the bonds and for mailing checks in payment of interest, if other than that of the owner or first-named coowner. The application should be forwarded to a Federal Reserve Bank or Branch or the Office of the Treasurer of the United States, Securities Division, Washington, D.C. 20220, accompanied by a remittance to cover the purchase price. Any form of exchange including personal checks will be accepted subject to collection. Checks or other forms of exchange should be drawn to the order of the Federal Reserve Bank or Treasurer of the United States, as the case may be. Checks payable by endorsement are not acceptable. Any depositary qualified pursuant to Treasury Department Circular No. 92, current revision (31 CFR 203), will be permitted to make payment by credit for bonds applied for on behalf of its customers up to any amount for which it shall be qualified in excess of existing deposits, when so notified by the Federal Reserve Bank of its district.

Sec. 332.7. *Delivery of bonds.*—Authorized issuing agents will deliver the Series H bonds either in person, or by mail at the risk and expense of the United States, at the address given by the purchaser, but only within the United States, its territories and possessions, the Commonwealth of Puerto Rico, and the Canal Zone. No mail deliveries elsewhere will be made. If purchased by citizens of the United States temporarily residing abroad, the bonds will be delivered at

such address in the United States as the purchaser directs.

Sec. 332.8. *Extended term and improved yields for outstanding bonds.*—(a) *Extended maturity period for bonds with issue dates June 1, 1952, through January 1, 1957.*—Owners of Series H bonds with issue dates of June 1, 1952, through January 1, 1957, have the option of retaining their bonds for an extended maturity period of ten years.<sup>5</sup>

(b) *Improved yields.*<sup>2</sup>—(1) *Bonds with issue dates June 1, 1952, through March 1, 1956.*<sup>6</sup>—The investment yield on outstanding Series H bonds with issue dates of June 1, 1952, through March 1, 1956, is hereby increased by 4/10 of 1 percent per annum for the remaining period to the extended maturity date, but the increase in yield will be less if the bonds are redeemed earlier. The increase, on a graduated basis, will begin with the first interest period starting on or after December 1, 1965.

(2) *Bonds with issue dates April 1, 1956, through January 1, 1957.*<sup>6</sup>—The investment yield on outstanding Series H bonds with issue dates of April 1, 1956, through January 1, 1957, is hereby increased by 4/10 of 1 percent per annum for any remaining period to the maturity date, but the increase in yield will be less if the bonds are redeemed earlier. The increase, on a graduated basis, will begin with the first interest period of six months starting on or after December 1, 1965. The investment yield for the extended maturity period will be approximately 4.15 percent per annum for each half-year period.

(3) *Bonds with issue dates February 1, 1957, through November 1, 1965.*<sup>6</sup>—The investment yield on outstanding Series H bonds with issue dates of February 1, 1957, through November 1, 1965, is hereby increased by 4/10 of 1 percent per annum for the remaining period to the maturity date, but the increase in yield will be less if the bonds are redeemed earlier. The increase, on a graduated basis, will begin with the first interest period starting on or after December 1, 1965.

Sec. 332.9. *Taxation.*—The income derived from Series H bonds is subject to all taxes imposed under the Internal Revenue Code of 1954. The bonds are subject to estate, inheritance, gift, or other excise taxes, whether Federal or State, but are exempt from all taxation now or hereafter imposed on the principal or interest thereof by any State, by any of the possessions of the United States, or by any local taxing authority.

<sup>5</sup> Maturities and summary of investment yields to maturity and extended maturity dates under regulations heretofore prescribed for Series H bonds with issue dates prior to December 1, 1965:

Bonds with issue dates June 1, 1952, through January 1, 1957:

9-yr. 8-mo. maturity; 3.00 percent per annum compounded semi-annually.

Increased 5/10 of 1 percent per annum for remaining period to maturity date, beginning with interest checks due December 1, 1959.

Extended maturity period (10 years), approximately 3.75 percent per annum for each half-year period.

Bonds with issue dates February 1, 1957, through May 1, 1959:

10-yr. maturity; 3.25 percent per annum compounded semiannually.

Increased 5/10 of 1 percent per annum for remaining period to maturity date, beginning with interest checks due December 1, 1959.

Bonds with issue dates June 1, 1959, through November 1, 1965:

10-yr. maturity; 3.75 percent per annum compounded semiannually.

<sup>6</sup> The tables incorporated herein, arranged according to issue dates, show the current schedules of interest payments and investment yields.

Sec. 332.10. *Payment or redemption.*—(a) *Prior to maturity.*—Prior to maturity a Series H bond will be redeemed AT PAR, in whole or in part, in the amount of an authorized denomination or multiple thereof, at the option of the owner, after six months from the issue date upon one calendar month's notice to (1) a Federal Reserve Bank or Branch, (2) the Office of the Treasurer of the United States, Securities Division, Washington, D.C. 20220, or (3) the Bureau of the Public Debt, Division of Loans and Currency Branch, 536 South Clark Street, Chicago, Ill. 60605. Such notice may be given separately, in writing, or by presenting and surrendering the bond with a duly executed request for payment. If notice is given separately, the bond must be presented with a duly executed request for payment to the same agent not less than twenty days before the redemption date fixed by the notice. Payment will be made as of the first day of the first month following by at least one full calendar month the date of the receipt of notice.

(b) *At maturity.*—Upon maturity a Series H bond will be redeemed at par upon presentation of the bond with a duly executed request for payment to one of the agents designated in (a) of this section. Any Series H bond having an extended maturity period will be redeemed at par upon original maturity and for two calendar months following the month in which the bond originally matures without advance notice.<sup>7</sup>

<sup>7</sup> For example, if a bond is dated June 1, 1956, the date of original maturity is February 1, 1966. The date on which the right to payment without advance notice will be suspended is May 1, 1966.

(c) *During extended maturity period.*—A Series H bond having an extended maturity period will, beginning with the first day of the third calendar month following the calendar month in which the bond originally matures, be regarded as unmatured until it reaches its final maturity date and may be redeemed in the same manner and subject to the same notice for redemption as provided in (a) of this section.

Sec. 332.11. *Reservation as to issue of bonds.*—The Secretary of the Treasury reserves the right to reject any application for Series H bonds, in whole or in part, and to refuse to issue or permit to be issued hereunder any such bonds in any case or any class or classes of cases if he deems such action to be in the public interest, and his action in any such respect shall be final.

Sec. 332.12. *Preservation of rights.*—Nothing contained herein shall limit or restrict rights which owners of Series H bonds heretofore issued have acquired under offers previously in force.

Sec. 332.13. *Fiscal agents.*—Federal Reserve Banks and Branches, as fiscal agents of the United States, are authorized to perform such services as may be requested of them by the Secretary of the Treasury in connection with the issue, delivery, redemption and payment of Series H bonds.

Sec. 332.14. *Reservation as to terms of offer.*—The Secretary of the Treasury may at any time or from time to time supplement or amend the terms of this offering of bonds (31 CFR 332), or of any amendments or supplements thereto.

**JOHN K. CARLOCK,**

*Fiscal Assistant Secretary of the Treasury.*
