

FEDERAL RESERVE BANK OF DALLAS

DALLAS, TEXAS 75222

June 3, 1966

To date, we have not been advised by your bank whether you wish or do not wish to be included in the Functional Cost Analysis Program for 1966.

If you are still interested in participating in the program, we will forward to you an Instruction Manual, which contains detailed instructions for completing the schedules used in preparing your bank's Functional Cost Analysis Report, in approximately two weeks. We want to apologize for this delay, but keep in mind that you will still have an adequate amount of time for preparing the raw data. Also, we stand ready to lend you whatever assistance you may need in this undertaking.

So we may know your intentions, please complete the enclosed form and return it to us at your earliest convenience. If you have any further questions, please do not hesitate to call RIVERSIDE 2-3271 (Extension 370) or write us.

Yours very truly,
