Treasury Department Circular, Public Debt Series No. 3-67, dated February 22, 1967, including the table incorporated therein (31 CFR 342), is hereby amended and reissued as Treasury Department Circular, Public Debt Series No. 3-67, Revised.

AUTHORITY: Secs. 342.0 through 342.9 and the tables incorporated in the circular are issued under authority of Sections 18 and 20 of the Second Liberty Bond Act, as amended (40 Stat. 1304, 48 Stat. 343, both as amended; 31 U.S.C. 753, 754b).

Sec. 342.0. *Offering of notes.*—The Secretary of the Treasury hereby offers for sale to the people of the United States, United States Savings Notes (also known as "Freedom Shares" and generally referred to herein as "savings notes" or "notes"). The notes may be purchased only in combination with United States Savings Bonds of Series E of equal or greater face amounts. This offering, which shall be effective June 1, 1968, will continue until terminated by the Secretary of the Treasury.

Sec. 342.1. *Definitions of words and terms as used in this offer.*—(a) "Payroll savings plan" refers to a voluntary program maintained by an employer whereby its participating officers and employees authorize regular withholdings from their salaries or wages for the purchase of Series E bonds.

(b) "Quarter" refers to a 3-month period of a year, as follows: January–February–March, April–May–June, July–August–September, or October–November–December.

Sec. 342.2. *Description of notes.*—(a) *General.*—Savings notes are issued only in registered form and are nontransferable.

	TABLES OF REDEMPTION VALUES AND INVEST- MENT YIELDS.

(b) *Term.*—A savings note will be dated as of the first day of the month in which payment of the purchase price is received by an issuing agent.¹ This date is the issue date and the note will mature and be payable at its maturity value 4 years and 6 months from such issue date. The note may not be called for redemption by the Secretary of the Treasury prior to maturity, and is not redeemable during the first year from issue date. Thereafter, the note may be redeemed at fixed redemption values at the option and request of the owner.

(c) *Denominations—prices—investment yield (interest).*—Savings notes are issued on a discount basis. The denominations and purchase prices are:

Denomination:	Purchase price (dollars)
\$25	20.25
\$50	40.50
\$75	60.75
\$100	81.00

Interest will be paid as a part of the redemption value. A note will increase in value one year after issue date and at the beginning of each half-year period thereafter until maturity, at which time interest will cease. Interest on a note redeemed before maturity will cease at the end of the interest period next preceding the redemption date, except that if redeemed on a date on which the redemption value increases, interest will cease on that date.

(1) *Notes with issue dates June 1, 1968, or there-
after.*—The investment yield on a savings note

¹ Generally, incorporated banks, trust companies and other agencies as have been duly qualified as issuing agents of Series E bonds.

with issue date of June 1, 1968, or thereafter, will be approximately 5 percent per annum compounded semiannually, if the note is held to maturity, but the yield will be less if the note is redeemed prior to maturity (see Table 1).

(2) *Notes with issue dates May 1, 1967, through May 1, 1968.*—The investment yield on savings notes with issue dates of May 1, 1967, through May 1, 1968, if held to maturity, will be 4.74 percent per annum compounded semiannually, but the yield will be less if the notes are redeemed earlier (see Table 2).

(d) *Inscription and issue.*—At the time of issue the authorized issuing agent will (1) inscribe on the face of each note the name and address of the owner and the name of the beneficiary, if any, or the names of the coowners and the address of the first-named coowner,² (2) enter the issue date in the right-hand portion of the note in the space provided for that purpose, and (3) imprint thereunder, by use of the agent's validating stamp for the issue of United States Savings Bonds, the date the note is actually inscribed. A note shall be valid only if an authorized issuing agent receives payment therefor and duly inscribes, dates, stamps, and delivers it.

(e) *Stock for notes issued on and after June 1, 1968.*—Savings note stock in use prior to June 1, 1968, will be used for notes issued hereunder until such time as new stock is printed and supplied to issuing agents. THE NEW INVESTMENT YIELD AND REDEMPTION VALUES SHALL APPLY TO SUCH NOTES AS FULLY AS IF EXPRESSLY SET FORTH IN THE TEXT. They will be redeemed by all paying agents at the redemption values in Table 1. Accordingly, it is not necessary for owners to exchange notes on old stock when the new stock is available, but they may do so if they wish by presenting notes issued on and after June 1, 1968, on old stock to any Federal Reserve Bank or Branch, or to the Treasurer of the United States, Securities Division, Washington, D.C. 20220.

Sec. 342.3. *Purchase—registration.*—(a) *Purchase.*—Savings notes, in combination with Series E bonds, may be obtained from any authorized issuing agent, or a Federal Reserve Bank or Branch, or the Office of the Treasurer of the United States, Securities Division, Washington, D.C. 20220. Payments for the notes may be made in the same manner as payments for United States Savings Bonds. Issuing agents will deliver the notes at the time of purchase, or by mail at the risk and expense of the United States, but only within the United States, its territories and possessions, the Commonwealth of Puerto Rico and the Canal Zone. No mail deliveries elsewhere will be made.

(b) *Registration.*—On original issue a savings note (1) is limited to registration in the name of a natural person (whether adult or minor), alone or with another natural person as coowner or bene-

ficiary, and (2) must be identical in registration to the Series E bond purchased in combination therewith.

Sec. 342.4. *Limitations.*—(a) *Purchases.*—(1) *Payroll savings plans.*—Under a payroll savings plan, withholdings for notes shall not exceed the ratio of \$1.08 for the notes to \$1.00 for the Series E bonds and shall not exceed \$20.25 per weekly pay period, or \$40.50 per biweekly or semimonthly pay period, or \$81.00 per monthly pay period.

(2) *Others.*—In combination purchases of notes and Series E bonds, other than under a payroll savings plan, purchases of notes shall not exceed \$350 (face amount) a quarter, and in no event shall the annual limitation of \$1,350 (face amount) be exceeded.

(b) *Holdings.*—Savings notes originally issued to any one person during any one calendar year that may be held by that person at any one time is limited to \$1,350 (face amount).

Sec. 342.5. *Taxation.*—(a) *General.*—For the purpose of determining taxes and tax exemptions, the increment in value represented by the difference between the purchase price and the redemption value received for a savings note will be considered as interest. The interest is subject to all taxes imposed under the Internal Revenue Code of 1954. The notes are subject to estate, inheritance, gift, or other excise taxes, whether Federal or State, but are exempt from all taxation now or hereafter imposed on the principal or interest thereof by any State, or any of the possessions of the United States, or by any local taxing authority.

(b) *Federal income tax on notes.*—An owner of savings notes who is a cash basis taxpayer may use either of two methods for reporting the increase in the redemption value of the notes for Federal income tax purposes, as follows:

(1) Defer reporting of the increase until the year of maturity, actual redemption, or other disposition, whichever is earlier, or

(2) Elect to report the increase for the year in which it accrues, in which case the election will apply also to all Series E bonds then owned by him and those thereafter acquired, as well as to any other similar obligations sold on a discount basis.

If method (1) is used, the taxpayer may change to method (2) without obtaining permission from the Internal Revenue Service. However, once the election to use method (2) is made, the taxpayer may not change the method of reporting, unless he obtains permission to do so from the Internal Revenue Service. Inquiries requesting further information on Federal taxes should be addressed to the District Director, Internal Revenue Service, of the taxpayer's district, or the Internal Revenue Service, Washington, D.C. 20224.

² When placing a taxpayer identifying number (an individual's social security account number) on a note, the issuing agent should place the number on the note in the same position as on the companion Series E bond.

Sec. 342.6. Payment or redemption.—(a) *General*.—At any time one year or more after the issue date, a savings note may be redeemed upon presentation and surrender of the note with a duly executed request for payment to any Federal Reserve Bank or Branch, or the Office of the Treasurer of the United States, Securities Division, Washington, D.C. 20220, or to any financial institution which has been designated as paying agent by the Secretary of the Treasury.

(b) *Judgment creditors*.—Payment of a savings note to the purchaser at a sale under a levy or to the officer authorized to levy upon the property of the owner under appropriate process to satisfy a money judgment will not be made until one year after the issue date of the note.

Sec. 342.7. Governing regulations.—Savings notes are subject to the regulations of the Treasury Department, now or hereafter prescribed, governing United States Savings Bonds, contained in Department Circular No. 530, current revision (31 CFR Part 315),³ except as otherwise specifically provided herein.

TABLES OF REDEMPTION VALUES AND INVESTMENT YIELDS FOR UNITED STATES SAVINGS NOTES

Each table shows: (1) redemption values, by denomination, during each successive half-year term of holding after first year¹ following the date of issue; (2) the approximate investment yield on the purchase price from issue date to the beginning of each half-year period;² and (3) the approximate investment yield on the current redemption value from the beginning of each half-year period² to maturity. Yields are expressed in terms of rate percent per annum compounded semiannually.

OFFERING OF UNITED STATES SAVINGS BONDS, SERIES E

1968
Fourth Amendment to
Department Circular No. 653,
Seventh Revision, dated
March 18, 1966

Fiscal Service
Bureau of the Public Debt

Treasury Department Circular No. 653, Seventh Revision, dated March 18, 1966, as revised and amended (31 CFR Part 316), is hereby further amended and revised as follows:

Sec. 316.1. *Offering of bonds.*—The Secretary of the Treasury hereby offers for sale to the people of the United States, United States Savings Bonds of Series E, hereinafter generally referred to as "Series E bonds" or "bonds." This offering, which shall be effective June 1, 1968, will continue until terminated by the Secretary of the Treasury.

Sec. 316.2. *Description of bonds.* * * *

(b) *Denominations and prices.*—Series E bonds are issued on a discount basis. The denominations and purchase prices are:

Denomination	Purchase price
\$25	\$18.75
50	37.50
75	56.25
100	75.00
200	150.00
500	375.00
1,000	750.00
10,000	7,500.00
100,000 ¹	75,000.00

¹ The \$100,000 denomination is available only for purchase by trustees of employees' savings and vacation plans (see Sec. 316.5(c) of Department Circular No. 653, Seventh Revision).

* * *

(e) *Investment yield (interest).*—The investment yield (interest) on a Series E bond with issue date of June 1, 1968, or thereafter, will be approximately 4.25 percent per annum compounded semiannually, if the bond is held to maturity² but the yield will be less if the bond is redeemed prior to maturity. The interest will be paid as a part of the redemption value. For the first six months from issue date the bond will be redeemable only at purchase price. Thereafter, its redemption value will increase at the beginning of each successive half-year period. See Table 1.

(f) *Stock for bonds issued on and after June 1, 1968.*—Series E bond stock in use prior to June 1, 1968, will be used for bonds issued hereunder until such time as new stock is printed and supplied to issuing agents. THE NEW INVESTMENT YIELD AND REDEMPTION VALUES SHALL APPLY TO SUCH BONDS AS FULLY AS IF EXPRESSLY SET FORTH IN THE TEXT. They will be redeemed by all paying agents at the redemption values in Table 1. Accordingly, it is not necessary for owners to

TREASURY DEPARTMENT,
Washington, June 19, 1968.

exchange bonds on old stock when the new stock is available but they may do so if they wish by presenting bonds issued on and after June 1, 1968, on old stock to any Federal Reserve Bank or Branch, or to the Treasurer of the United States, Securities Division, Washington, D.C. 20220.

Sec. 316.8. *Extended terms and improved yields on outstanding bonds.*

* * *

(b) *Improved yields.*³—The investment yield on outstanding bonds is increased by $\frac{1}{10}$ of 1 percent per annum compounded semiannually but only if the bonds are held to the next maturity date and there is an intervening or final six-month interest accrual period. In addition, the investment yield for any presently authorized subsequent extension period will be 4.25 percent per annum compounded semiannually provided the bonds are held to the maturity date for that period. Interim redemption values remain unchanged and the increases, which will be computed from the first six-month interest accrual period starting on or after the following dates, is conditioned on retention of the bonds to next maturity and, as appropriate, to the end of the authorized subsequent extension period:

(1) *March 1, 1968.*—For bonds with issue dates of June 1, 1959, through November 1, 1960.

(2) *May 1, 1968.*—For bonds with issue dates of February 1, 1957, through May 1, 1959.

(3) *June 1, 1968.*—For bonds with issue dates of May 1, 1941, through January 1, 1957, and December 1, 1960, through May 1, 1968.

The Secretary of the Treasury may at any time prior to their maturity prescribe a different yield for the extended maturity period for bonds for which no tables of redemption values and investment yields have been previously provided for such period. The tables, which are a part of this circular, will be published periodically for the extended maturity period for bonds bearing issue dates of June 1, 1961, or thereafter.⁴

JOHN K. CARLOCK,
Fiscal Assistant Secretary of the Treasury.

² Under authority of Section 25, 73 Stat. 621 (31 U.S.C. 757c-1), the President of the United States on May 31, 1968, concluded that with respect to Series E bonds it was necessary in the national interest to exceed the maximum interest rate and investment yield prescribed by Section 22 of the Second Liberty Bond Act, as amended (31 U.S.C. 757c).

³ See Sec. 316.8(b) and footnote 8 of Department Circular No. 653, Seventh Revision, as amended, for earlier yields.

⁴ In effect since February 23, 1967.

**TABLES OF REDEMPTION VALUES AND INVESTMENT YIELDS FOR UNITED STATES SAVINGS BONDS
OF SERIES E**

Each table shows: (1) the redemption value for each successive half-year term of holding during the current maturity period and the authorized redemption values during any subsequent maturity period, on bonds bearing issue dates covered by the table; (2) for each maturity period shown, the approximate investment yield on the redemption value at the beginning of such maturity period to the beginning of each half-year period thereafter; and (3) the approximate investment yield on the current redemption value from the beginning of each half-year period to next maturity. Yields are expressed in terms of rate percent per annum, compounded semiannually.

OFFERING OF UNITED STATES SAVINGS BONDS

SERIES H

1968
Third Amendment to
Department Circular No. 905,
Fourth Revision, dated
April 7, 1966

Fiscal Service
Bureau of the Public Debt

TREASURY DEPARTMENT,
Washington, June 19, 1968.

Treasury Department Circular No. 905, Fourth Revision, dated April 7, 1966, as revised and amended (31 CFR Part 332), is hereby further amended and revised as follows:

Sec. 332.1. *Offering of bonds.*—The Secretary of the Treasury hereby offers for sale to the people of the United States, United States Savings Bonds of Series H, hereinafter generally referred to as "Series H bonds" or "bonds." This offering, which shall be effective June 1, 1968, will continue until terminated by the Secretary of the Treasury.

Sec. 332.2. *Description of bonds. * * **

(e) *Interest (investment yield).*—The interest on a Series H bond will be paid semiannually by check drawn to the order of the registered owner or coowners, beginning six months from issue date. Interest payments will be on a graduated scale, fixed to produce an investment yield of approximately 4.25 percent per annum compounded semiannually, if the bond is held to maturity;¹ but the yield will be less if the bond is redeemed prior to maturity. See table 1. Interest will cease at maturity or, in the case of redemption before maturity, at the end of the interest period next preceding the date of redemption, except that if the date of redemption falls on an interest payment date, interest will cease on that date.

(f) *Stock for bonds issued on and after June 1, 1968.*—Series H bond stock in use prior to June 1, 1968, will be used for issue of bonds hereunder until such time as new stock is printed and supplied to issuing agents. THE NEW INTEREST RATE SHALL APPLY TO SUCH BONDS AS FULLY AS IF EXPRESSLY SET FORTH IN THE TEXT. The Treasury Department will issue

interest checks for the bonds in the appropriate amounts as set forth in table 1. Accordingly, it is not necessary for owners to exchange bonds on old stock when the new stock becomes available but they may do so if they wish by presenting bonds issued on and after June 1, 1968, on old stock to any Federal Reserve Bank or Branch, or to the Treasurer of the United States, Securities Division, Washington, D.C. 20220.

Sec. 332.8. *Extended term and improved yields on outstanding bonds. * * **

(b) *Improved yields.²*—The investment yield on outstanding bonds with issue dates of June 1, 1952, through May 1, 1968, is increased by 1/10 of 1 percent per annum compounded semiannually, but only if the bonds are held to the next maturity date. The increase for the remaining time to next maturity will be computed from the beginning of the first interest period starting on or after June 1, 1968. The investment yield for any presently authorized subsequent extension period will be 4.25 percent per annum compounded semiannually if the bonds are held to the maturity date for that period. Interim interest payments remain unchanged. All increases will be reflected in the final interest check for the particular maturity period involved.

JOHN K. CARLOCK

Fiscal Assistant Secretary of the Treasury.

¹ Under authority of Section 25, 73 Stat. 621 (31 U.S.C. 757e-1), the President of the United States on May 31, 1968, concluded that with respect to Series H bonds it was necessary in the national interest to exceed the maximum interest rate and investment yield prescribed by Section 22 of the Second Liberty Bond Act, as amended (31 U.S.C. 757c).

² See Sec. 332.8(b) and footnote 5 of Department Circular No. 905, Fourth Revision, as amended (31 CFR Part 332), for earlier yields.

**TABLES OF CHECKS ISSUED AND INVESTMENT YIELDS FOR UNITED STATES SAVINGS BONDS OF
SERIES H**

Each table shows: (1) The amounts of interest check payments during the current maturity period and during any authorized subsequent maturity period, on bonds bearing issue dates covered by the table; (2) for each maturity period shown, the approximate investment yield on the face value from the beginning of such maturity period to each subsequent interest payment date; and (3) the approximate investment yield on the face value from each interest payment date to next maturity. Yields are expressed in terms of rate percent per annum, compounded semiannually.
