## FILM STRIP ON TRUTH IN LENDING

To All Banks, Other Creditors, and Others Concerned  
in the Eleventh Federal Reserve District:

To assist creditors in preparing to meet the July 1 deadline for compliance with the Federal Truth in Lending Act, the Board of Governors of the Federal Reserve System has prepared a film strip which deals with the highlights of the truth in lending program.

The film strip is designed for use with a Dukane projector, which uses 35 mm. film and a 33 r.p.m. record. The film is synchronized with the narration, and the entire presentation takes approximately 18 minutes.

The film strip is available on loan at no cost from the Federal Reserve Bank of Dallas and its Branches. It should be a valuable training aid for employees, as well as an interesting showing for meetings of trade associations, civic groups, and the like.

Requests for loan of the film strip should give as many alternative dates as possible, with indication of preference, and should be addressed to the officer indicated at our nearest office:

Mr. Leon W. Cowan  
Vice President  
Federal Reserve Bank of Dallas  
Station K  
Dallas, Texas 75222

Mr. Fredric W. Reed  
Vice President in Charge  
Federal Reserve Bank Branch  
P. O. Box 100

Houston, Texas 77001

Mr. Carl H. Moore  
Vice President in Charge  
Federal Reserve Bank Branch  
P. O. Box 1471  
San Antonio, Texas 78206

Every effort will be made to supply the film strip in accordance with requests. We do not, however, have Dukane projectors available. If you do not have such a projector, or cannot obtain one, we are advised that rentals can be arranged through the firms listed on the reverse.

The film strips are also available for purchase at \$10 per set. Requests for purchase should be forwarded, prepaid, to:
