press release

For immediate release.

September 4, 1969.

The Board of Governors of the Federal Reserve System today announced several changes in its "List of OTC Margin Stocks" first published on July 8, 1969.

Two stocks--Friendly Ice Cream Corporation, \$1.00 par common, and Tassette, Inc., Class A common--are added to the list and will be subject to the same 80 per cent margin requirements as other over-the-counter stocks that previously became subject to margin regulations. Margin requirements on the newly added stocks will apply only to loans made on and after September 4, 1969.

Three stocks are deleted by virtue of listing on a national securities exchange. They are D.P.A., Inc., \$1.00 par common, Lincoln National Corporation, \$2.50 par common, and University Computing Company, no par common. Securities listed on national exchanges are subject to margin requirements.

Six other changes have been made to bring the OTC list up to date: Continental Computer Associates, Inc., no par common, becomes Banister Continental Corporation, no par common; Crocker-Citizens National Bank, capital, has been changed to Crocker-National Corporation, capital; Dayton Corporation, \$1.00 par common, becomes Dayton-Hudson Corporation, \$1.00 par common; Girard Company, \$1.00 par common, is corrected to read The Girard Company, \$1.00 par common; Philadelphia Suburban Water Company, \$3.75 par common, is changed to Philadelphia Suburban Corp., \$1.00 par common; and Provident National Bank, \$12.00 par capital, becomes Provident National Corporation, \$1.00 par capital.

Previous changes in the July 8 list were announced on July 30.
