

FEDERAL RESERVE BANK OF DALLAS

DALLAS, TEXAS 75222

Circular No. 70-1

January 2, 1970

To the Member Banks in the
Eleventh Federal Reserve District:

CHECKS DRAWN ON GEORGIA BANKS

We have been informed by the Federal Reserve Bank of Atlanta that, effective January 1, 1970, checks drawn on all banks located in the State of Georgia may be cleared through the Federal Reserve System. This was made possible by action of the 1969 Georgia State Legislature providing for par clearance.

Until present check supplies are exhausted, many of the checks drawn on these banks will continue to bear the magnetic ink routing symbol 9064. Newly printed checks will bear routing symbol 0612. Items printed with either of these numbers may be included in your cash letters to this office or in direct-sent cash letters to the Federal Reserve Bank of Atlanta.

Yours very truly,

P. E. Coldwell

President
