press release

For release in morning papers,
Monday, September 21, 1970.

September 18, 1970.

The Board of Governors of the Federal Reserve System today announced several changes in its "List of OTC Margin Stocks" that was issued in revised form on July 20, 1970. The list was first published July 8, 1969.

Three stocks are deleted from the list by virtue of being registered on a national securities exchange. These stocks are Eli Lilly and Company, \$1.25 par common; MPB Corporation, \$1.00 par common; and United States Fidelity and Guaranty Company, common. One other stock, Hartford Fire Insurance Company, common, is deleted because it was acquired by a firm whose stock is listed on a national securities exchange.

Four other changes have been made to update the list. Two of these are name changes: New Jersey National Bank and Trust, common, becomes New Jersey National Bank, common; and State Street Bank and Trust, \$10.00 par common, is changed to State Street Boston Financial Corporation, \$10.00 par common. The remaining two changes reflect adjustments in the titles of stock: Empire Life Insurance Company of America, \$1.00 par common, is corrected to read Empire Life Insurance Company of America, Class A, \$1.00 par common; and Hamilton International Corporation, Class A, common, now reads as Hamilton International Corporation, common.
