

FEDERAL RESERVE BANK OF DALLAS

DALLAS, TEXAS 75222

Circular No. 70-242
October 16, 1970

To the Chief Executive Officer of the Member Bank Addressed
in the Eleventh Federal Reserve District:

We are pleased that your bank has indicated an interest in the Senior Management Seminars proposed by this bank. The response to our proposal was very favorable and we have decided to conduct the Seminars. The group size for each Seminar will be relatively small to encourage discussion. Consequently, it may be several months before you hear from us concerning a specific date for you to attend a meeting.

You will be invited to attend a Seminar and bring with you one of your senior officers or directors. We intend to conduct a series of these meetings, and if you cannot attend the first Seminar scheduled for you, there will be an opportunity to attend at a later date.

Very truly yours,

P. E. Coldwell

President
