press release

For release in morning papers,

November 13, 1970

The Board of Governors of the Federal Reserve System today announced several changes, effective Monday, November 16, in its "List of OTC Margin Stocks" that was issued in revised form last July 20. The list was first published on July 8, 1969.

Seven stocks are deleted from the list by virtue of being registered on a national securities exchange. These stocks are Bolt Beranek and Newman, Inc., no par common; Inexco Oil Company, \$.02 par common; National Semiconductor Corporation, common; Newhall Land and Farming Company, The, common; Public Service Company of New Hampshire, \$5.00 par common; Southern Union Gas Company, \$1.00 par common; Winnebago Industries, Inc., \$.50 par common. One other stock, Dallas Airmotive, Inc., common, is deleted because the issuer was acquired by a firm whose stock is listed on a national securities exchange. Three other changes have been made to update the list. Two of these are name changes: Continental Mortgage Insurance Company, common, is changed to CMI Investment Corporation, \$2.50 par common; and New England Merchants National Bank, \$5.00 par capital, becomes New England Merchants Company, Inc., \$5.00 par capital. The remaining change reflects an adjustment in the title of stock: Tassette, Inc., common, is corrected to read Tassette, Inc., Class A, common.
