REVISED LIST OF OTC MARGIN STOCKS

To All Banks, Regulation G Registrants and  
Others Concerned in the Eleventh Federal  
Reserve District:

The Board of Governors of the Federal Reserve System has issued, effective July 12, 1971, a revised List of OTC Margin Stocks, pursuant to the provisions of Regulations G, T, and U.

The list is published from time to time by the Board as a guide for lenders subject to those regulations and for the general public. Stocks will be added to the list, or deleted in the interim between publication as deemed appropriate by the Board.

The revised list contains 456 issues which are divided into three sections — corporate, bank, and insurance stocks. Twenty-two companies have been removed from the list and seven name changes have taken place.

A copy of the revised list is enclosed. All such lists and changes dated prior to July 12, 1971, should be destroyed.

Yours very truly,

P. E. Coldwell

President

Enclosure
