

FEDERAL RESERVE BANK OF DALLAS

DALLAS, TEXAS 75222

Circular No. 72-59
March 24, 1972

To All Nonreserve City Member Banks
in the Head Office Territory,
Eleventh Federal Reserve District:

As a service to member banks in the Head Office territory of this District, an M-35 KSR TWX Teletype terminal has been installed in the Transfers of Funds Division of this Bank. The terminal is available for the receipt of all types of transfers of funds, including those containing odd amounts and for the account of a third party.

The transmission of transfers of funds utilizing this equipment is not a requirement. It is provided as a service to those banks that wish to communicate transfer messages to this Bank in this manner and have comparable TWX or TELEX equipment.

If your bank is interested in utilizing this service, please contact E. W. Vorlop, Jr., Vice President and Controller, or C. L. Vick, Operations Officer, for further details.

Yours very truly,

P. E. Coldwell

President
