Circular No. 75-90

1975 SALARY SURVEYS

TO THE CHIEF EXECUTIVE OFFICER  
OF THE MEMBER BANK ADDRESSED IN THE  
ELEVENTH FEDERAL RESERVE DISTRICT:

Last year over 200 Eleventh District member banks participated in the Officers' and Employees' Salary Surveys offered by this Bank. These are the same surveys that were described in the January 1975 issue of the Texas Bankers Record magazine.

We would like to invite your bank to participate in either or both of these programs in 1975. The programs will again be structured by geographic location and bank size to insure meaningful data for the participating banks. Various benefits are surveyed, as well as direct salaries and bonuses. All salary and related data submitted will be treated as confidential.

If your bank wishes to participate, please indicate your interest on the enclosed postal card and return it as soon as possible. Additionally, if you need further information, please call us collect at (214) 651-6370 or (214) 651-6166.

Sincerely yours,

T. W. Plant
