FEDERAL RESERVE BANK OF DALLAS

DALLAS, TEXAS 75222

Circular No. 75-191

December 23, 1975

EXPANSION OF NORTH TEXAS REGIONAL CHECK PROCESSING CENTER (RCPC) AND DISCONTINUANCE OF SATURDAY CHECK OPERATIONS

TO ALL BANKS IN THE
ELEVENTH FEDERAL RESERVE DISTRICT:

Effective March 1, 1976, the North Texas Regional Check Processing Center will extend its coverage to include the banks listed on the following pages. Participating banks, both member and nonmember, located in the expanded geographical area served by the Regional Center may begin depositing RCPC items on March 1, 1976, for March 2, 1976 availability.

In our Circular No. 75-151 dated October 7, 1975, this Bank announced the "Group-Sorted Program" effective November 3, 1975. The closing hours for these specially prepared items are 5:00 p.m. on Sunday, and 8:00 p.m. on Monday through Thursday for next business day credit availability. This program, combined with the expansion of RCPC coverage, provides near maximum overnight clearance of checks drawn on banks in the Dallas Head Office territory. With these programs in effect, Saturday conventional check collection operations are no longer necessary. Primarily because of the success of the "Group-Sorted Program" and in anticipation of the RCPC expansion, the Dallas Head Office will discontinue processing deferred credit items on Saturday, beginning January 3, 1976. On and after that date, non-RCPC or checks received which have not been group-sorted will be processed on Monday with credit availability based on a Monday receipt.

Supplement A to Bulletin 10 and Supplement A to Bulletin 13 will be revised to incorporate these changes at a later date at which time your bank will be furnished amended copies. Questions concerning these operational changes should be directed to J. A. Clymer, Assistant Vice President of the Federal Reserve Bank of Dallas.

Sincerely yours,

T. W. Plant

First Vice President
