PUBLIC SPEAKING PROGRAM

TO THE CHIEF EXECUTIVE OFFICER  
OF THE MEMBER BANK ADDRESSED IN THE  
ELEVENTH FEDERAL RESERVE DISTRICT:

As a part of this Bank's continuing effort to inform bankers and the public regarding economic, banking, and financial matters, we have recently broadened our public speaking program.

As community leaders, you are often requested to provide programs for civic and other functions. The Federal Reserve Bank would be pleased to provide speakers on such topics as economic and monetary policy, consumer legislation, innovations in bank operations, purposes and functions of the Federal Reserve System, and other topics related to this Bank's responsibilities which might be of interest.

At any time we can be of assistance in this way, please let us hear from you. It would be helpful, of course, if requests for speakers are made well in advance so that we can assure availability for your particular function. Requests should be made through the Bank and Public Information Department of this Bank, Ext. 6261; or you may contact Mr. Fredric W. Reed of the El Paso Branch (915/544-4730); Mr. J. Z. Rowe of the Houston Branch (713/659-4433); or Mr. Carl H. Moore of the San Antonio Branch (512/224-2141).

Sincerely yours,

Ernest T. Baughman

President
