FEDERAL RESERVE BANK OF DALLAS

DALLAS, TEXAS 75222

Circular No. 78-119 August 29, 1978

ELECTION OF DIRECTORS NOMINATION PROCEDURES

To All Member Banks

in the Eleventh Federal Reserve District:

An election will be held under the provisions of Section 4 of the Federal Reserve Act, as amended by the Federal Reserve Reform Act of 1977, to choose successors to the following directors of this Bank, whose terms expire December 31, 1978:

Class A Director — Robert H. Stewart, III
Chairman of the Board
First International Bancshares, Inc.
Dallas, Texas

Class B Director — Thomas W. Herrick
Cattle and Investments
Amarillo, Texas

Mr. Stewart, the Class A Director, was elected by banks in Group 1, consisting of banks having capital and surplus of \$6,000,000 and over, and his successor will be chosen by the banks in this group. Mr. Stewart, who has served as a director of this Bank since 1973, has requested that his name not be placed in nomination for reelection. This request is in accordance with the current policy approved by the Board of Directors of this Bank favoring rotation of directors after serving two consecutive three-year terms.

Mr. Herrick, the Class B Director, was elected by banks in Group 2, consisting of banks having capital and surplus of \$1,000,000 and over, but under \$6,000,000, and his successor will be chosen by the banks in this group. Mr. Herrick, who has served as a director of this Bank since 1973, has requested that his name not be placed in nomination for reelection. This request, likewise, is in accordance with the current policy approved by the Board of Directors of this Bank favoring rotation of directors after serving two consecutive three-year terms.

The banks comprising Groups 1 and 2 are listed on the following pages.

The group in which a member bank will be entitled to vote will be determined by its classification as of the date of this letter, even though its capital and surplus may subsequently change prior to the date of the election.

Except in the case of any member banks that are subsidiaries of the same bank holding company,* each bank in Group 1 is permitted to nominate one candidate for Class A Director and each bank in Group 2 is permitted to nominate one candidate for Class B Director. The nominations must be made by resolution of the Board of Directors, certified to me and received in my office on or before September 29, 1978. A form and return envelope for this purpose are enclosed. On October 6, 1978, a list of the candidates (indicating by whom nominated) and a preferential ballot will be mailed to each bank in the voting groups. The ballot must be cast within 15 days after receipt. The polls will open at 9 a.m. on October 11, 1978, and close at 2 p.m. on October 26, 1978. At that time, the ballot box will be opened at this Bank, the votes counted, and the results of the election announced. The candidates are invited to be present or represented on that occasion.

"... That whenever any member banks within the same Federal Reserve district are subsidiaries of the same bank holding company within the meaning of the Bank Holding Company Act of 1956, participation in any such nomination or election by such member banks, including such bank holding company if it is also a member bank, shall be confined to one of such banks, which may be designated for the purpose by such holding company."

In this connection, the Board of Governors of the Federal Reserve System has ruled that a holding company affiliate, having one or more subsidiary banks in each of the three groups into which member banks of a Federal Reserve district are divided for the purpose of electing directors, may designate one such bank in each group to participate in the nomination and election of each Class A Director and each Class B Director chosen by the group of which such bank is a member, and such member bank so designated may validly participate in such nomination and election. Accordingly, banks in Groups 1 and 2 affected by the foregoing provision of law are requested to take prompt action to have the appropriate bank holding company designate, if it has not already designated, one of such banks to participate in this election.

^{*}Section 4 of the Federal Reserve Act, as amended, reads in part as follows:

In order to be counted, the ballot must be executed by an officer authorized to cast the vote. Officers so authorized are listed on the following pages. Inasmuch as the authority conferred on these officers continues until revoked, they need not be redesignated. Each member bank which has not designated an officer, or officers, for the purpose of signing the ballot, or any bank that desires to change its designation, should do so by resolution of its Board of Directors and certify the designation to me before the polls close. A form for this purpose will be furnished upon request. If the official signature of the officer, or officers, authorized to cast the ballot has not been filed with this Federal Reserve Bank, such official signature should be filed before the polls close.

While the banks in Group 3 will not vote in this election, this circular is sent to them, without forms, for their information. Group 3 consists of member banks with combined capital and surplus of under \$1,000,000.

Sincerely yours,

Chairman of the Board

Information Concerning Eligibility for Class A Directorship of a Federal Reserve Bank

Section 4 of the Federal Reserve Act, as amended by the Federal Reserve Reform Act of 1977, contains the following provisions: "Class A shall consist of three members, without discrimination on the basis of race, creed, color, sex, or national origin, who shall be chosen by and be representative of the stockholding banks." "No officer or director of a member bank shall be eligible to serve as a Class A director unless nominated and elected by banks which are members of the same group as the member bank of which he is an officer or director."
