REDEMPTION OF SEMI-DOMESTIC MONEY ORDERS

**TO ALL BANKS IN THE
ELEVENTH FEDERAL RESERVE DISTRICT:**

We have been advised by the Postal Service that semi-domestic (Domestic International) countries are experiencing some problems with the redemption of semi-domestic money orders in the United States. Semi-domestic money orders payable in United States dollars are collectible by commercial banks through Federal Reserve Banks.

If you have any questions concerning the negotiability of specific semi-domestic money orders, please contact your local Postmaster.

Sincerely yours,

Robert H. Boykin

First Vice President
