

**FEDERAL RESERVE BANK OF DALLAS**

**DALLAS, TEXAS 75222**

**Circular No. 79-124  
August 1, 1979**

**NEW WATS NUMBERS**

**TO ALL BANKS  
AND OTHERS CONCERNED IN THE  
ELEVENTH FEDERAL RESERVE DISTRICT:**

The incoming Wide Area Telephone System (WATS) numbers for the Federal Reserve Bank of Dallas are being changed effective August 13, 1979. The change is necessitated by the decentralization of Southwestern Bell's WATS service activities.

The new incoming WATS numbers of the Federal Reserve Bank of Dallas are:

**1-800-527-9200 (interstate)**

**1-800-442-7140 (intrastate)**

These changes affect only the Dallas Office. The numbers at the El Paso, Houston, and San Antonio Branches will remain the same.

We apologize for any inconvenience and confusion this change may cause but anticipate that this change will improve our service.

**Sincerely yours,**

**Robert H. Boykin**

**First Vice President**
