

FEDERAL RESERVE BANK OF DALLAS

DALLAS, TEXAS 75222

Circular No. 82-125
September 29, 1982

ELECTION OF DIRECTORS REPORT OF NOMINATIONS—VOTING PROCEDURES

To All Member Banks in the Eleventh Federal Reserve District:

In accordance with the provisions of Section 4 of the Federal Reserve Act, as amended by the Federal Reserve Reform Act of 1977, and my circular dated August 17, 1982, in regard to the election of directors of this Bank to succeed John P. Gilliam, Class A Director, and Robert D. Rogers, Class B Director, whose terms expire December 31, 1982, there are given herein the names of the candidates nominated for such directors and the names of the banks which made the nominations.

Except in the case of any member banks that are subsidiaries of the same bank holding company,* there is sent herewith to each bank in Group 1 a ballot for use in voting for a Class B Director and to each bank in Group 3 a ballot for use in voting for a Class A Director. Also enclosed are an envelope bearing on its face the certificate in regard to the vote and a colored envelope marked "Ballot—Directors' Election," in which the ballot is to be sealed. When several banks are subsidiaries of a bank holding company, **the voting forms are being sent only to the bank designated to participate in this election;** therefore, banks in Groups 1 and 3 that will not participate in this election are being sent this circular, without forms, for their information.

The ballot and certificate on the envelope must be executed by an officer who has been authorized to cast the vote. A list of the designated officers, revised to date, forms a part of this circular. In order that the balloting may be secret, the name of the bank and the voting officer should not be written on the ballot but only on the certificate envelope. **If the official signature of the officer casting the ballot has not been filed with this Federal Reserve Bank, such official signature should be filed before the polls close.**

Please follow carefully the instructions which are printed on the ballot, on the envelopes, and on page 3 of this circular.

The following procedure is required in the case of both the Class A and Class B ballots:

- (1) The preferential ballot should be marked.**
- (2) It should be placed in the colored envelope marked "Ballot—Directors' Election" and that envelope sealed.**
- (3) Then after the certificate on the white certificate envelope is executed, the colored sealed envelope (containing the ballot) should be placed within the white certificate envelope and that envelope sealed.**
- (4) The sealed white certificate envelope containing the sealed ballot envelope should then be returned to me in the enclosed self-addressed envelope.**

*Section 4 of the Federal Reserve Act, as amended, reads in part as follows:

"...That whenever any member banks within the same Federal Reserve district are subsidiaries of the same bank holding company within the meaning of the Bank Holding Company Act of 1956, participation in any such nomination or election by such member banks, including such bank holding company if it is also a member bank, shall be confined to one of such banks, which may be designated for the purpose by such holding company."

In this connection, the Board of Governors of the Federal Reserve System has ruled that a holding company affiliate, having one or more subsidiary banks in each of the three groups into which member banks of a Federal Reserve district are divided for the purpose of electing directors, may designate one such bank in each group to participate in the nomination and election of each Class A Director and each Class B Director chosen by the group of which such bank is a member, and such member bank so designated may validly participate in such nomination and election. **Accordingly, banks in Groups 1 and 3 affected by the foregoing provision of law are requested to take prompt action to have the appropriate bank holding company designate, if it has not already designated, one of such banks to participate in this election.**

Under the law, the ballot must be returned so as to reach me within 15 days after its receipt. **The polls will open on October 6, 1982, and close at 2 p.m. on October 21, 1982.** At that time, the ballot box will be opened at this Bank, the sealed envelopes containing the ballots will be opened, the votes counted, and the results of the election announced. The candidates are invited to be present or represented on that occasion.

While the banks in Group 2 will not vote in this election, this circular is sent to them, without forms, for their information. Group 2 consists of member banks with combined capital and surplus of over \$1,500,000, but under \$4,000,000.

Sincerely yours,

Chairman of the Board

IMPORTANT

For your information, there is quoted below an extract from Section 4 of the Federal Reserve Act which sets forth the method of balloting:

“Within fifteen days after receipt of the list of candidates the duly authorized officer of a member bank shall certify to the chairman his first, second, and other choices for director of Class A or Class B, respectively, upon a preferential ballot upon a form furnished by the chairman of the board of directors of the Federal Reserve Bank of the district. Each such officer shall make a cross opposite the name of the first, second, and other choices for a director of Class A and for a director of Class B, but shall not vote more than one choice for any one candidate.”

In the case of the Class A ballots (Group 3), where there are two candidates involved, a member bank, in making its first choice, will be deemed to have indicated the other candidate as its second choice.
