Station K, Dallas, Texas 75222

Circular No. 84-117  
December 3, 1984

**TO:** All depository institutions in the Eleventh Federal Reserve District

**ATTENTION:** Operations Officer

**SUBJECT:** **Addition of northern Louisiana to the Dallas Regional Check Processing Center (RCPC)**

**DETAILS:** The Federal Reserve Bank of Dallas is pleased to announce that on January 2, 1985, the Dallas Regional Check Processing Center (RCPC) will be expanded to include the northern portion of Louisiana presently served by the Dallas Fed. This conversion of northern Louisiana institutions from Dallas "country" endpoints to Dallas RCPC endpoints will enable financial institutions to receive improved availability of funds and will enhance the nation's payments system.

Depositors may include items bearing routing symbols 1111 or 3111 with other North Texas RCPC items for same-day credit at the regular 12:01 a.m. or premium 1:15 a.m. deposit deadlines on January 2. For institutions depositing fine-sort cash letters, the regular 4:00 a.m. deposit deadline will apply, however, depositors are requested to segregate north Louisiana endpoints on separate fine-sort recap sheets and deposit them separately from other North Texas RCPC fine-sort cash letters.
