## Press Release

**For immediate release**

**January 13, 1985**

The September 1985 Uniform Bank Performance Report (UBPR) is now being distributed to all insured commercial banks and is available for sale to the public.

The quarterly UBPR is designed for use by bank examiners, financial analysts and bank managers, and permits both summary and in-depth analysis of a commercial bank's financial performance and trends.

The September 1985 UBPR is identical in format to the June 1985 edition, which introduced new Analysis of Repricing Opportunities pages, new primary capital definitions, and other changes. The UBPR User's Guide was brought up to date for the June 1985 edition with a set of revised pages, distributed to all recipients of June 1985 UBPR's. UBPR requestors who still need this set of revised User's Guide pages may request a copy with their order.

Copies of individual bank UBPRs may be obtained by the public for \$25 per report, with quantity discounts available. UBPR User's Guides can be obtained for \$6.00 each. September 1985 Peer Groups Reports and State Average Reports are also available for \$25 per copy. Detailed instructions for ordering UBPRs and ancillary reports are attached.
