Notice 94-62

**TO:** The Chief Executive Officer of each member bank and others concerned in the Eleventh Federal Reserve District

**SUBJECT**

Availability of a  
Fair Lending Videotape

**DETAILS**

The Board of Governors of the Federal Reserve System announced the production of a videotape designed to help institutions combat lending discrimination. Entitled Closing the Gap: A Guide to Equal Opportunity Lending, the videotape is designed for use as a fair lending training tool. The video was jointly developed by the Community Affairs programs of the Federal Reserve Banks of Boston, Chicago, and San Francisco. It is based on information from a publication of the same title that was produced by the Federal Reserve Bank of Boston last year and widely distributed by the Federal Reserve System.

The video features an introduction by Federal Reserve Chairman Alan Greenspan and a discussion of 10 "best practices" which, if adopted by financial institutions, would help them ensure equitable treatment of all applicants and borrowers.

A complimentary copy of the videotape will be provided to the presidents of all state banks supervised by the Federal Reserve. Additional copies of the video can be obtained from VIDICOPY, 650 Vaqueros Avenue, Sunnyvale, California 94086. Please make your request on company letterhead and enclose \$9.95 for each video, which includes shipping and handling.
