DALLAS, TEXAS 75265-5906

Notice 97-88

TO: The Chief Executive Officer of each financial institution and others concerned in the Eleventh Federal Reserve District

SUBJECT

Availability of the Federal Financial Institutions Examination Council June 1997 Reports

DETAILS

The Federal Financial Institutions Examination Council (FFIEC) has announced that the June 1997 Uniform Bank Performance Report (UBPR) is ready for distribution and sale to the public. For the most part, the format for the commercial banks and the Federal Deposit Insurance Corporation-insured savings banks (FDIC-ISB) are identical; however, the FDIC-ISB has its own unique UBPR peer groupings.

The quarterly UBPR is designed for use by bank examiners, financial analysts, and bank managers. The report permits both summary and in-depth analysis of commercial banks, as well as FDIC-ISB financial performance and trends. Computer tapes of the UBPR data are again available.

Several changes have been incorporated into the June 1997 UBPR

In addition, the June 1997 version of the UBPR Peer Group Ratio Distribution Report and the UBPR State Average Ratio Distribution Report are available. These reports provide users with a complete ratio distribution ranging from the 1st through the 99th percentile for all UBPR ratio values. The ratio values are presented for each UBPR group, using the same definitions that are used in the UBPR Bank Performance Report.

THE 1997 UNIFORM BANK PERFORMANCE REPORTS ARE NOW AVAILABLE!

GENERAL INFORMATION

The Uniform Bank Performance Report (UBPR) is an analytical tool created for bank supervisory purposes. In a concise format, it shows the impact of management decisions and economic conditions on a bank's performance and balance-sheet composition and is produced for each insured commercial bank and FDIC insured savings bank (Insured Bank) in the United States. The UBPR is computer-generated from the FDIC data base, contains several years worth of data, and the data is presented in ratio, percentage, and dollar formats.

PUBLIC DISCLOSURE TAPES

Data printed on the Bank Report hard copies are available on tape in bulk format for all banks, peer groups and state averages. These tapes may be of use to requestors who wish to select or analyze data for large numbers of banks or peer groups. A typical UBPR edition would include a maximum of 17 tapes: eight unique tapes for bank data, eight unique tapes or bank rank data, and one tape for peer group and state average data. For ordering call:

John Smullen, FFIEC 1-202-634-6526

DATA FORMATS

The typical UBPR format consists of the following:

- Year-End-Five consecutive year-end periods (e.g., December 1991 through December 1995).
- Non-Year-End-Current period, one-year ago from the current period, and three year-end periods (e.g., June 1996, June 1995, December 1995, December 1994 and December 1993).

DATA TYPES

The typical UBPR Publication presents three types of data for each of five periods:

- <u>Bank-Level Ratio and Dollar Values</u>-The source of all bank financial data in all of the UBPR publications is the FFIEC Call Reports, which are filed on a calendar guarter basis.
- Peer Group Averages-The UBPR system classifies insured commercial banks into 25 unique Peer Groups and FDIC insured savings banks into four unique Peer Groups to show how a group of banks with similar characteristics has performed (both

groups have national figures). This information can be used as a bench mark to assess an individual bank's asset and liability structure, earnings level and off-balance sheet exposure.

 <u>Bank Percentile Ranks</u>-Based on the UBPR Peer Groups, the UBPR system ranks each bank ratio within each Peer Group in an ascending order. The resulting percentile rank, ranging from 0 to 99, provides the user an institution's relative position within it's UBPR peer group for each measure.

UBPR DATA AVAILABILITY

Each quarter, approximately 90 days after the Call Report date, each Insured Bank will automatically receive a copy of its own UBPR Bank Report free of charge. If you have misplaced your bank's UBPR Bank Report, an additional copy may be purchased (through the FDIC Disclosure Group). In addition, you may also purchase the Bank Report on your competitors or any other UBPR product by using the order form on the reverse side of this page.
