member bank and others concerned
in the Eleventh Federal Reserve District

SUBJECT

**Report on Indebtedness of Executive Officers and
Principal Shareholders and Their Related Interests to
Correspondent Banks (Form FFIEC 004)**

DETAILS

Executive officers and principal shareholders subject to the reporting requirements set forth under Regulation O (*Loans to Executive Officers, Directors, and Principal Shareholders of Member Banks*) must file annual reports concerning their indebtedness, and the indebtedness of their related interests, to the correspondent banks of the member bank. These reports should be filed with the member bank's board of directors by January 31 of each year. The 1998 report covers the period January 1 through December 31, 1997.

The enclosed Form FFIEC 004, which has been approved by the Federal Financial Institutions Examination Council (FFIEC), is designed to assist your bank and your bank's executive officers and principal shareholders in complying with the reporting requirements. Also, this year the form is available on the FFIEC's Web site at www.FFIEC.gov/ffiec_report_forms.htm. Please duplicate the form in accordance with your needs. The required information may also be provided on other similar forms.

Each member bank should notify its executive officers and principal shareholders of the reporting requirements. Persons who are no longer executive officers or principal shareholders at the time the report is to be filed are not required to file a report. Each member bank is also required to make available to its executive officers and principal shareholders a list of the member bank's correspondent banks. A "correspondent bank" is defined as a bank that maintains one or more correspondent accounts for a member bank that, aggregated, exceed certain amounts specified in Regulation O during the calendar year.

For additional copies, bankers and others are encouraged to use one of the following toll-free numbers in contacting the Federal Reserve Bank of Dallas: Dallas Office (800) 333-4460; El Paso Branch *Intrastate* (800) 592-1631, *Interstate* (800) 351-1012; Houston Branch *Intrastate* (800) 392-4162, *Interstate* (800) 221-0363; San Antonio Branch *Intrastate* (800) 292-5810.

Your institution is not required to make these reports available to the public; however, the reports will be reviewed by examiners during the course of an examination of the member bank. The reports filed by executive officers and principal shareholders are not required to be filed with the Reserve Bank or Deputy Comptroller.

Why Report

The Financial Institutions Regulatory and Interest Rate Control Act of 1978, as amended by the Garn-St. Germain Depository Institutions Act of 1982, prohibits preferential lending by a bank to certain insiders of another bank when there is a correspondent account relationship between the banks. Regulation O, 12 CFR Part 215, which implements these statutes, specifies the reporting requirements necessary to ensure compliance.

Terms used in this report are defined in Regulation O and 12 CFR Part 349. The Office of Thrift Supervision has incorporated Regulation O by reference at 12 CFR 563.43 and applies Regulation O, with the exception of 12 CFR 215.13, to savings associations in the same manner and to the same extent as if the association were a bank or member bank. As used in this report, the term bank should be read to include savings associations.

Noncompliance with the reporting requirements of Regulation O could result in civil money penalties for the bank and the reporting executive officer or principal shareholder.

Who Must Report

Executive officers and principal shareholders must report extensions of credit outstanding during the calendar year from correspondent banks of their insured bank. Executive officers and principal shareholders must also report extensions of credit from correspondent banks to their related interests.

How to Report

The reports may be filed on Form 004, Report on Indebtedness to Correspondent Banks, or any form containing identical information. The information must be submitted to the board of directors with a copy maintained at the bank.

When to Report

Reports must be submitted annually by January 31 for the calendar year ending December 31 of the previous year.

What to Report

Executive officers and principal shareholders must report all indebtedness to correspondent banks, including indebtedness of their related interests. Loans that were outstanding at any time during the reporting calendar year must be reported, even if they have been paid off.

Completing the Form

A. Report Date. Enter the calendar year for which you are reporting.

B. Name of Executive Officer or Principal Shareholder. Enter your name. (A person who is not an executive officer or principal shareholder at the time the report is required to be filed is not required to file.)

An *“executive officer”* is defined in section 215.2(e) of Regulation O and generally means an individual who participates or has authority to participate (other than in the capacity of a director) in major policymaking functions of the company or bank, whether or not the officer has an official title, the title designates the officer as an assistant, or the officer is serving without salary or compensation. Certain categories of bank officers (e.g., vice president) are presumed in Regulation O to be executive officers unless the officer is excluded by resolution of the board of directors of the bank or by the bylaws of the bank or company from participation in major policymaking functions of the bank or company, and the officer does not actually participate therein.

A *“principal shareholder of a member bank”* as defined in section 215.11(a)(1) means any person (other than an insured bank, or a foreign bank as defined in 12 USC 3101(7)) that, directly or indirectly, owns, controls, or has power to vote more than 10 percent of any class of voting securities of the member bank. The term includes a person that controls a principal shareholder (e.g., a person that controls a bank holding company). Shares of a bank (including a foreign bank), bank holding company, or other company owned or controlled by a member of an individual’s immediate family are presumed to be owned or controlled by the individual for the purposes of determining principal shareholder status.

“Immediate family” as defined in section 215.2(g) means the spouse of an individual, the individual’s minor children, and any of the individual’s children (including adult children) residing in the individual’s home. For reporting purposes, only one individual in the immediate family must file a report if that individual’s report includes the required information on indebtedness of his/her immediate family.

C. Related Interests. If you are reporting indebtedness of a related interest, enter the name and address of the related interest. You must complete a separate report for each related interest.

A *“related interest”* as defined in section 215.11(a)(2) means (1) any company controlled by a natural person, or (2) any political or campaign committee controlled by a natural person or the funds or services of which will benefit a natural person.

“Control” of a company is defined generally in section 215.2(c) of Regulation O as ownership or control of 25 percent or more of a company’s outstanding voting shares. Control is presumed, however, in certain cases where less than 25 percent ownership exists.

The term *“indebtedness”* includes any extension of credit (as defined in section 215.3 of Regulation O), but does not include: (1) commercial paper, bonds and debentures issued in the ordinary course of business; and (2) consumer credit in an aggregate amount of \$5,000 or less from each

correspondent bank, provided the credit is incurred under terms that are not more favorable than those offered the general public.

D. Reporting Bank. Enter the name of the bank in which you are an executive officer or principal shareholder.

E. Correspondent Bank. Enter the correspondent bank’s name and address. You may report indebtedness from more than one correspondent bank on the same form. You also may include the loan number or any other relevant identifying information in this column.

A *“correspondent bank”* generally means a bank that maintains one or more correspondent accounts for the officer’s or principal shareholder’s bank that in the aggregate exceed an average daily balance during the reporting calendar year of \$100,000 or 0.5 percent of the officer’s or principal shareholder’s bank’s total deposits (as reported in the bank’s first Consolidated Report of Condition or Thrift Financial Report during the calendar year), whichever is smaller. *All insured banks are required by law to make available to their executive officers and principal shareholders a list of their correspondent banks.*

F. Original Amount. Enter the original amount of the loan. If the indebtedness is a line of credit, report the maximum authorized amount.

G. Range of Interest Rates. Enter the range of interest rates charged throughout the reporting year.

H. Repayment Terms. Describe the repayment terms.

I. Maturity Date. Enter the maturity date.

J. Description of Collateral. If the loan is secured, describe the collateral and its value.

K. Balance. Enter the amount of indebtedness outstanding to the correspondent bank as of ten business days before the date of the report. If this balance is not available, or cannot be readily ascertained by the filing date, estimate the amount and provide the actual amount to the board of directors within thirty days.

L. Maximum Amount of Indebtedness. The maximum amount of indebtedness is either (1) the highest outstanding indebtedness during the calendar year for which the report is made, or (2) the highest end of the month indebtedness outstanding during the calendar year for which the report is made. You must consistently use the same method for all indebtedness to the same correspondent bank. You also must indicate whether the maximum amount was determined as of the end of the month or on a daily basis.

M. Other Terms. Describe any unusual terms or other conditions of the loan.

N. Signature. Sign and date the report.
