DALLAS, TEXAS 75265-5906

December 31, 2002

**Notice 02-70** 

**TO:** The Chief Executive Officer of each financial institution and others concerned in the Eleventh Federal Reserve District

# **SUBJECT**

# Availability of the September 2002 Uniform Bank Performance Reports

# **DETAILS**

The Federal Financial Institutions Examination Council (FFIEC) has announced that the September 30, 2002, Uniform Bank Performance Report (UBPR) is now available online at www.ffiec.gov. The online version of the UBPR includes five years of continuous financial history that is restated quarterly to reflect call report amendments and new analytical tools. Because no registration or sign-on is required, UBPRs are fully open to all users.

The quarterly UBPR is designed for use by bank examiners, financial analysts, and bank managers. The report permits both summary and in-depth analysis of financial performance and trends for commercial banks as well as FDIC-ISB. Computer tapes of the UBPR data are available for the September 30, 2002, edition.

The FFIEC also makes all UBPR statistical reports available online. Available are the September 30, 2002, version of the UBPR Peer Group Ratio Distribution Report and the UBPR Peer Group Report. The distribution report provides users with a distribution of values ranging from the 1st through the 99th percentile for all UBPR ratios. The Peer Group Report summarizes peer group average information for all peer groups used in the UBPR. Both reports are formatted the same as an individual bank UBPR.

Printed copies of the UBPR for individual banks are also available. All printed reports may be ordered for a fee by calling UBPR Products at (800) 276-6003. In addition, the User's Guide for the UBPR, revised March 2001, is available at www.ffiec.gov.

# **ATTACHMENTS**

General information about the UBPR products and instructions for ordering are attached.

# MORE INFORMATION

For more information about the UBPR, please contact Sharon Boston, Banking Supervision Department, at (214) 922-6304. Paper copies of this notice or previous Federal Reserve Bank notices can be printed from our web site at <a href="http://www.dallasfed.org/banking/notices/index.html">http://www.dallasfed.org/banking/notices/index.html</a>.

Also, you may visit the UBPR section of the FFIEC web site for further information, including suggestions for using the web site and a schedule of planned updates and enhancements.

# The 2002 Uniform Bank Performance Reports Are Now Available!

#### **General Information**

The Uniform Bank Performance Report (UBPR) is an analytical tool created for bank supervisory purposes. In a concise format, it shows the impact of management decisions and economic conditions on a bank's performance and balance-sheet composition and is produced for each insured commercial bank and FDIC insured savings bank (Insured Bank) in the United States. The UBPR is computer-generated from the FDIC data base, contains several years worth of data, and the data is presented in ratio, percentage, and dollar formats.

# Average Report

(approximately 310 pages) Contains ten pages of ratio averages for each UBPR Peer Group as well as national averages. This report follows the same format as the bank report and presents five periods of data.

#### Distribution Report

(approximately 390 pages) Contains ten data

values ranging from the 1st through the 99th percentiles for each ratio for the current reporting period only.

# State Average Data

Consists of the State Average Report and the State Average Distribution Report. These reports contain Summary Ratio data (in the same format as Page 1 of the Bank Report) for the nation and each individual state.

Commercial and FDIC insured savings banks data are not commingled.

- Average Report—(approximately 75 pages) this report follows the same format as the bank report and presents five periods of data.
- Distribution Report—(approximately 300 pages) contains ten data values ranging from the 1st through the 99th percentiles for each ratio for the current reporting period only.

#### User's Guide for the UBPR

(approximately 100 pages) Documents the Bank Report. The User's Guide includes:

- General and technical UBPR information
- A sample of each UBPR page and a description of each line item
- A worksheet for calculating taxequivalency adjustment.

# Public Disclosure Tapes

Data printed on the Bank Report hard copies are available on tape in bulk format for all banks, peer groups and state averages. These tapes may be of use to requestors who wish to select or analyze data for large numbers of banks or peer groups. A typical UBPR edition would include a maximum of 17 tapes: eight unique tapes for bank data, eight unique tapes for bank rank data, and one tape for peer group and state average data. For ordering call:

John Smullen, FFIEC 202-872-7500

# **Data Formats**

The typical UBPR format consists of the following:

- Year-End—Five consecutive year-end periods (e.g., December 1994 through December 1998).
- Non-Year End—Current period, one-year ago from the current period, and three year-end periods (e.g., June 1998, June 1997 December 1996, December 1995 and December 1994).

# **Data Types**

The typical UBPR Publication presents three types of data for each of five periods:

Bank-Level Ratio and Dollar Values

The source of all bank financial data in all of the UBPR publications is the FFIEC Call Reports, which are filed on a calendar quarter basis

# Peer Group Averages

The UBPR system classifies insured commercial banks into 25 unique Peer Groups and FDIC insured savings banks into four unique Peer Groups to show how a group of banks with similar characteristics has per-

formed (both groups have national figures). This information can be used as a bench mark to asses an individual bank's asset and liability structure, earnings level and off-balance sheet exposure.

#### Bank Percentile Ranks

Based on the UBPR Peer Groups, the UBPR system ranks each bank ratio within each Peer Group in an ascending order. The resulting percentile rank, ranging from 0 to 99, provides the user an institution's relative position within it's UBPR peer group for each measure.

#### **UBPR Data Availability**

Each quarter, approximately 90 days after the Call Report date, each Insured Bank will automatically receive a copy of its own UBPR Bank Report free of charge. If you have misplaced your bank's UBPR Bank Report an additional copy maybe purchased (through the FDIC Disclosure Group). In addition, you may also purchase the Bank Report on your competitors or any other UBPR product by using the order form in this guide.
