SUBJECT

Availability of the June 2004 Uniform Bank Performance Reports

DETAILS

The Federal Financial Institutions Examination Council (FFIEC) has announced that the June 30, 2004, Uniform Bank Performance Report (UBPR) is now available online at www.ffiec.gov. The online version of the UBPR includes five years of continuous financial history that is restated quarterly to reflect call report amendments and new analytical tools. Because no registration or sign-on is required, UBPRs are fully open to all users.

The quarterly UBPR is designed for use by bank examiners, financial analysts, and bank managers. The report permits both summary and in-depth analysis of financial performance and trends for commercial banks as well as FDIC-ISB. Computer tapes of the UBPR data are available for the June 30, 2004, edition.

The FFIEC also makes all UBPR statistical reports available online. Available are the June 30, 2004, version of the UBPR Peer Group Ratio Distribution Report and the UBPR Peer Group Report. The distribution report provides users with a distribution of values ranging from the 1st through the 99th percentile for all UBPR ratios. The Peer Group Report summarizes peer group average information for all peer groups used in the UBPR. Both reports are formatted the same as an individual bank UBPR.

Printed copies of the UBPR for individual banks are also available. All printed reports may be ordered for a fee by calling UBPR Products at (877) 275-3342. In addition, the User's Guide for the UBPR, revised March 2004, is available at www.ffiec.gov.
