

FEDERAL RESERVE BANK OF DALLAS

DALLAS, TEXAS 75265-5906

Notice 07-35
August 14, 2007

ELECTION OF DIRECTORS NOMINATION PROCEDURES

To All Member Banks in the Eleventh Federal Reserve District:

An election will be conducted under the provisions of Section 4 of the Federal Reserve Act for the positions held by the following directors of this Bank, whose terms expire December 31, 2007:

Class A Director —	David S. Barnard Chairman and Chief Executive Officer The National Banks of Central Texas Gatesville, Texas
Class B Director —	Robert A. Estrada Chairman Estrada Hinojosa & Company, Inc. Dallas, Texas

Mr. Barnard, the Class A Director, was elected by banks in Group 2, consisting of banks with combined capital and surplus of over \$3,500,000 but under \$15,000,000. At the conclusion of his present term, Mr. Barnard will have served two full three-year terms and is not eligible for reelection.

Mr. Estrada, the Class B Director, was elected by banks in Group 3, consisting of banks with combined capital and surplus of \$3,500,000 and under. At the conclusion of his present term, Mr. Estrada will have served one three-year term and is eligible for reelection.

The banks comprising Groups 2 and 3 are listed on the following pages.

The group in which a member bank will be entitled to vote will be determined by its classification as of the date of this letter, even though its capital and surplus may subsequently change prior to the date of the election.

Except in the case of any member banks that are subsidiaries of the same bank holding company,* each bank in Group 2 is permitted to nominate one candidate for Class A Director, and each bank in Group 3 is permitted to nominate one candidate for Class B Director. When several banks are subsidiaries of a bank holding company, the nomination form is being sent only to the bank designated to participate in this election; therefore, banks in Groups 2 and 3 that will not participate in this election are being sent this notice, without forms, for their information. **The nominations must be made by resolution of the Board of Directors, certified to me and received in my office on or before September 14.** A form and return envelope for this purpose are enclosed. On September 26, a list of the candidates (indicating the nominating banks) and a preferential ballot will be mailed to each bank in the voting groups. The ballot must be cast within 15 days after receipt. The polls will open at 9 a.m. on October 3 and close at 2 p.m. on October 18. At that time, the ballot box will be opened at this Bank, the votes counted, and the results of the election announced. The candidates are invited to be present or represented on that occasion.

*Section 4 of the Federal Reserve Act reads in part as follows:

“...That whenever any member banks within the same Federal Reserve district are subsidiaries of the same bank holding company within the meaning of the Bank Holding Company Act of 1956, participation in any such nomination or election by such member banks, including such bank holding company if it is also a member bank, shall be confined to one of such banks, which may be designated for the purpose by such holding company.”

The Board of Governors of the Federal Reserve System has ruled that a holding company affiliate, having one or more subsidiary banks in each of the three groups into which member banks of a Federal Reserve district are divided for the purpose of electing directors, may designate one such bank in each group to participate in the nomination and election of each Class A Director and each Class B Director chosen by the group of which such bank is a member and such member bank so designated may validly participate in such nomination and election. **Accordingly, banks in Groups 2 and 3 affected by the foregoing provision of law are requested to take prompt action to have the appropriate bank holding company designate, if it has not already designated, one of such banks to participate in this election.**

In order to be counted, the ballot must be executed by an officer authorized to cast the vote. Officers so authorized are listed on the following pages. The authority conferred on these officers continues until revoked; they need not be redesignated. Each member bank that has not designated an officer or officers for signing the ballot, or any bank that desires to change its designation, should do so by resolution of its Board of Directors and certify the designation to me **before** the polls close. A form for this purpose will be furnished upon request.

While the banks in Group 1 will not vote in this election, this notice is sent to them, without forms, for their information. Group 1 consists of member banks with combined capital and surplus of \$15,000,000 and over.

Sincerely,

A handwritten signature in cursive script that reads "James T. Hackett". The signature is written in black ink and is positioned below the word "Sincerely,".

**Information Concerning Eligibility for
Class A Directorship of a Federal Reserve Bank**

Section 4 of the Federal Reserve Act, as amended by the Federal Reserve Reform Act of 1977, contains the following provisions: "Class A shall consist of three members, without discrimination on the basis of race, creed, color, sex, or national origin, who shall be chosen by and be representative of the stockholding banks." "No officer or director of a member bank shall be eligible to serve as a Class A director unless nominated and elected by banks that are members of the same group as the member bank of which he is an officer or director." Any person who is an officer or director of more than one member bank shall not be eligible for nomination as a Class A director except by banks in the same group as the bank having the largest aggregate resources of any of those of which such person is an officer or director." "No Senator or Representative in Congress shall be a member of the Board of Governors of the Federal Reserve System or an officer or a director of a Federal Reserve Bank."

The Board of Governors of the Federal Reserve System has expressed the opinion "...that, to be consistent with the spirit and underlying principles of the Federal Reserve Act, it is inappropriate, as a general rule, for officers and directors of Federal Reserve Banks and Branches to hold partisan political or public office in the service of the United States, or of any state, territory, county, district, political subdivision, or municipality thereof, or to act as members of political party committees."
