

October 26, 1914.

Personal

My Dear Gov. Hamlin:

I reached home late last evening. On getting to my desk this morning was able to assemble further work in connection with the resolution of our Board to open the Federal Reserve Bank of the Eleventh District, and, if so advised, by the 16th of November.

The members of our Board are assembling here and we can have a full Board meeting Thursday morning, the 29th instant. I am asking Gov. Wells of our Board, who has reached home, to come here ahead of the meeting, in connection with the staff organization, etc.

You were good enough to mention that Mr. Secretary Bryson had some two or three names for clerical positions, that could be taken up by Gov. Wells. Won't you please send same to me personally, that I can get it in the proper channel in connection with the clerical staff with Mr. Wells.

Yours very sincerely,

Hon. C. S. Hamlin, Governor,
Federal Reserve Board,
Washington.
