MEDIA ADVISORY

New York Fed to Launch Newsletter

June 22, 2015

NEW YORK—On June 23, 2015, the Federal Reserve Bank of New York will begin publishing In Review, a new monthly newsletter providing an overview of recent work by the New York Fed. Geared toward “Main Street” audiences, In Review will include information on economic research, data releases, speeches and outreach activities of the Bank in the Second Federal Reserve District.

Going forward, In Review will be published during the last full week of each month.

To subscribe to In Review, please visit the New York Fed’s website.
