MEDIA ADVISORY

New York Fed to Hold Press Briefing on U.S. Economy in a Snapshot May 19

May 10, 2016

In conjunction with the release of the May 2016 *U.S. Economy in a Snapshot*, the Federal Reserve Bank of New York will hold a press briefing on macroeconomic trends on May 19 at 10:30 AM.

The *U.S. Economy in a Snapshot (Snapshot)* is a monthly release designed to provide a quick and accessible overview of current economic and financial developments. The *Snapshot* presents charts and commentary on a broad range of topics that include labor and financial markets, the behavior of consumers and firms, and the global economy.

The press briefing will include an overview of the *Snapshot* and highlights from the May release. President William Dudley will also provide remarks during the briefing.

The event will be webcast to registered participants.
