LIFE
Dear Mr. Morris:

I have sent Dr. Schacht a memorandum saying that you would like to see him, and I suggest that you call up Mr. Strong's secretary, Miss Bleecker, and ask if he can make an appointment for you to come and see him. I think if you are in town to-morrow morning, Saturday, that might be a very good time.

I am just leaving for Cleveland so cannot attend to it myself.

Sincerely yours,

Ray Morris, Esq.,
