ST. LOUIS**

March 20, 1933.

TO THE MEMBER BANK ADDRESSED:  
(Also for the information of nonmember banks)

Our letter of March 8, 1933 has been further amended as follows:

“We have been requested to prepare and forward to the Federal Reserve Board as soon as possible after March 27, 1933, as complete a list as can be made from information we are able to obtain of the names and addresses of all persons who have withdrawn gold from this bank or a member bank in this district since February 1, 1933, and who have not redeposited it in a bank on or before March 27, 1933.

“It will therefore be appreciated if you will cooperate with us to the extent of furnishing us with the names and addresses of all persons who have withdrawn gold from your bank since February 1, 1933, and who have not, to your knowledge, redeposited it in a bank on or before March 27, 1933. This information to be furnished to us as soon as you conveniently can after the date mentioned.”

Respectfully,
