NOTICE REGARDING THE "STATEMENT OF BORROWER"  
PRESCRIBED FOR USE IN CONNECTION WITH REGULATION W

To the addressee:

Since March 23, 1942, the date on which Amendment No. 3 to Regulation W became effective, the list of articles on the reverse side of the Statement of Borrower, Form F.R. 564, is incomplete. It is not necessary that Registrants discontinue the use of the forms which they have on hand, but it would be desirable that the Registrants add the new items to the list.

Accordingly, you may add to the form by rubber stamp, sticker or whatever other means is convenient, the following:

Articles Added March 23, 1942

- Bicycles
- Lawn Mowers
- Silverware
- Watches and Clocks
- Photographic Equipment
- Floor Coverings

When new supplies of the form are prepared, the newly added articles should be included therein.

Very truly yours,

CHESTER C. DAVIS,

President.
