

FEDERAL RESERVE BANK OF ST. LOUIS

ST. LOUIS 2, MISSOURI

LIBRARY OF THE FEDERAL
RESERVE BANK OF CLEVELAND

ELECTION OF DIRECTORS

September 18, 1953

*To the Member Banks in the
Eighth Federal Reserve District:*

An election will be held under the provisions of Section 4 of the Federal Reserve Act to choose successors to the following directors of this bank whose terms expire December 31, 1953: Class A director, William A. McDonnell (President, First National Bank in St. Louis, St. Louis, Mo.) and Class B director, Louis Ruthenburg (Chairman of Board, Servel, Inc., Evansville, Ind.).

The Class A director was elected by banks in Group 1, and the Class B director by banks in Group 3. Consequently, their successors will be chosen, respectively, by these groups. Group 1 consists of banks having capital and surplus of \$700,000 and over; Group 2, banks having capital and surplus of \$200,000 and over but less than \$700,000; and Group 3, banks having capital and surplus of less than \$200,000. Lists of the banks composing the voting groups are given on the following pages.

Each bank in Group 3 is permitted to nominate a candidate for Class B director and each bank in Group 1 a candidate for Class A director. The nomination must be made by resolution of the board of directors and certified to me on or before October 23. A form and self-addressed envelope for this purpose are enclosed.

On October 30 a list of the candidates (indicating by whom nominated) and a preferential ballot will be mailed to each bank in the two groups mentioned. The ballot must be cast within fifteen days after receipt. The polls will open on November 2 and close at 2 p. m. on November 17, 1953. At that time the ballot box will be opened in the board room of this bank, the votes counted and results announced. The candidates are invited to be present or represented on that occasion.

In order to be counted, the ballot must be executed by an officer authorized to cast the vote. On the following pages are shown the officers heretofore designated for this purpose. The authority conferred on them continues until revoked. Each bank that has not designated such officers, or any bank that desires to change its authorization, should do so by resolution of its board of directors and certify the appointments to me before the polls close. A form is herewith furnished to each bank that has not made such designations **BY TITLE**.

The Federal Reserve Act provides: "Whenever any two or more member banks within the same Federal reserve district are affiliated with the same holding company affiliate, participation by such member banks in any such nomination or election shall be confined to one of such banks, which may be designated for the purpose by such holding company affiliate." A holding company affiliate having one or more subsidiary member banks in each group may designate one of such banks in each group. Certified copies of the resolutions making such designations should be filed with me.

While the banks in Group 2 do not elect a director this year, this circular is sent to them without forms for their information.

Respectfully,

RUSSELL L. DEARMONT,

Chairman of the Board.

Provisions of Section 4 of the Federal Reserve Act, and opinions of the Federal Reserve Board* regarding qualifications of Class A and Class B directors.

Section 4 of the Federal Reserve Act provides that "Class A shall consist of three members, who shall be chosen by and be representative of the stockholding banks. No officer or director of a member bank shall be eligible to serve as a Class A director unless nominated and elected by banks which are members of the same group as the member bank of which he is an officer or director. Any person who is an officer or director of more than one member bank shall not be eligible for nomination as a Class A director except by banks in the same group as the bank having the largest aggregate resources of any of those of which such person is an officer or director. Class B shall consist of three members, who at the time of their election shall be actively engaged in their district in commerce, agriculture or some other industrial pursuit. No director of Class B shall be an officer, director or employe of any bank. No Senator or Representative in Congress shall be a member of the Federal Reserve Board* or an officer or a director of a Federal reserve bank."

In a resolution adopted December 23, 1915, the Federal Reserve Board* expressed the opinion that "persons holding political or public office in the service of the United States, or of any State, territory, county, district, political subdivision, or municipality thereof, or acting as members of political party committees, cannot consistently with the spirit and underlying principles of the Federal Reserve Act, serve as directors or officers of Federal reserve banks." On December 28, 1915, the Federal Reserve Board* resolved that "national bank examiners shall not hereafter be elected - - - to directorships in Federal reserve banks." Under date of July 2, 1925, the Federal Reserve Board* advised it had "reached the conclusion that a person whose sole occupation is that of officer of an insurance company is not eligible for election as a Class B director of a Federal reserve bank."

*Sec. 203 (a) of the Banking Act of 1935 provides that "Hereafter the Federal Reserve Board shall be known as the Board of Governors of the Federal Reserve System."

GROUP 1

Consisting of all member banks with capital and surplus of \$700,000 and over.

Banks in this group elect one Class A Director
