PRESIDENT
AUG 31 8 52 AM '59
FEDERAL RESERVE BANK
OF CLEVELAND

To All Banks in the
Eighth Federal Reserve District:

We have been advised by the Board of Governors of the Federal Reserve System that it has taken the following action:

In view of the admission of Hawaii to statehood, as a result of the issuance of the President's proclamation of August 21, 1959, in accordance with the provisions of the Act of March 18, 1959 (73 Stat. 4), and, acting pursuant to Section 17 of that Act, the Board of Governors of the Federal Reserve System has readjusted the Federal Reserve Districts so as to include the State of Hawaii in the Twelfth Federal Reserve District, effective August 21, 1959. Within the Twelfth District the State of Hawaii will be included in the zone served by the Head Office.

Since the admission of Hawaii to statehood has rendered inappropriate certain language in the Board's Regulations E, G, H, I, J, L, and U, the Board has also acted to amend those regulations in the following respects, effective on August 21, 1959:

Regulation E, Section II, Paragraph 2, is amended by eliminating therefrom the words "continental United States" and substituting therefor the words "states of the United States and the District of Columbia".

Regulation G is amended by eliminating from Footnote 1 thereof the words "Hawaii" and "Puerto Rico" and by substituting for the words "continental United States" the words "states of the United States and the District of Columbia". The "designations of Federal Reserve Districts for banks in territories, dependencies, etc." issued pursuant to Footnote 1 of Regulation G is further amended by deleting the paragraph referring to Hawaii.

Regulation H is amended by eliminating from Footnote 1 thereof the words "continental United States" and substituting therefor the words "states of the United States and the District of Columbia".

Regulation I is amended by eliminating from Footnote 1 thereof the words "continental United States" and substituting therefor the words "states of the United States and the District of Columbia".

Regulation J is amended by eliminating from Footnote 1 thereof the words "Hawaii" and "Puerto Rico" and by substituting for the words "continental United States" the words "states of the United States and the District of Columbia". The "designation of Federal Reserve Districts for banks in territories, dependencies, etc." issued pursuant to Footnote 1 of Regulation J is further amended by deleting the paragraph referring to Hawaii.

Regulation L is amended by eliminating from Footnote 3(B) thereof the words "the Philippine Islands" and "Hawaii,".

Regulation U, Section 221.2 (I) is amended by eliminating therefrom the number "49".

To conform with the foregoing changes in Regulations G and J our Operating Letter No. 8, Collection of Noncash Items, and our Operating Letter No. 9, Collection of Cash Items, are amended, effective August 21, 1959, by eliminating from footnote number "1" on each operating letter the words "Hawaii" and "Puerto Rico" and by substituting for the words "continental United States" the words "states of the United States and the District of Columbia".

Amendments to the Regulations and our Operating Letters 8 and 9 are being printed and will be mailed to you in the near future.

DELOS C. JOHNS
