

# FEDERAL RESERVE BANK OF ST. LOUIS

## NOMINATIONS FOR DIRECTORS

St. Louis, November 2, 1951

TO THE MEMBER BANKS IN DISTRICT No. 8:

In accordance with the provisions of Section 4 of the Federal Reserve Act and my circular dated September 21, in regard to election of directors of this bank to succeed the Class A director and the Class B director whose terms expire December 31 of this year, there is given on the back hereof a list of the candidates nominated for such directors, indicating by whom nominated.

There is sent herewith to each bank in Group 1 a preferential ballot for use in voting on the candidate for Class B director, and to each bank in Group 2 a preferential ballot for use in voting on the candidate for Class A director. There are also enclosed with each ballot an envelope bearing on its face the certificate in regard to the vote, an envelope marked "Ballot" in which to seal the ballot, and a self-addressed return envelope.

The ballot and certificate on the envelope must be executed by an officer who has been authorized to cast the vote. A list of the banks in Groups 1 and 2 and the officers authorized to cast the vote, as certified to the Chairman of the Board of this bank, are shown on pages 3 and 4 of this circular. In order that the ballot may be secret, the name of the bank and of the voting officer should not be written on the ballot, but only on the certificate envelope, and the following procedure should be observed:

- (1) After the preferential ballot has been marked,
- (2) It should be placed in the envelope marked "Ballot" and the envelope sealed.
- (3) After the certificate on the certificate envelope has been executed,
- (4) The ballot envelope should be placed within the certificate envelope and the latter sealed.
- (5) Then this certificate envelope containing the sealed ballot envelope should be returned to me in the self-addressed envelope.

Under the law, the ballot must be returned so as to reach me **within fifteen days** after its receipt. The polls will open on November 5 and close at 2 p.m. on November 20, 1951. At that time the ballot box will be opened in the Board Room of this bank, the sealed envelopes containing the ballots will be opened, the votes counted and the results announced. The candidates are invited to be present or represented on that occasion.

While the banks in Group 3 will not vote in this election, the circular is sent to them without forms for their information.

Respectfully,

RUSSELL L. DEARMONT,

Chairman of the Board.
