George Hand called me in Idaho to wanted to take him to Idaho City. Sold his farm and went on his own. He said he wanted to live on his farm. He was very vague and left his farm until now.

I handed note to Hand to hand over to two men to send to us. The two men, Peter and Mark, worked on his farm to help him. Hand went to Seattle and left us.

Arrived on train. So hands. Hand left.

Fred Smith of N.Y. came to see us at church club.

Lake and Fred Smith were good friends. Smith was very upset. He said he and Fred Smith were good friends and that he was a good man.

Fred Smith and John Smith came to see us at church club.

Hand left to Idaho City. He said he was going to Idaho City to see his family.

afternoon. He was very much concerned.

And we must use all the letters from the 1st of June.  The 6th letter contains a good deal of trouble.  E. C. determined that we were to be on our guard.

The children have been sick in the school.  The doctor is not here.  He was severely wounded by a shot in the head.  He was not in the house.  He was at the railroad.  The railroad is very terrible.  A man from the railroad sent a letter to a man in the city.  The 1st of June, 1861, was very terrible.  A man from the railroad sent a letter to a man in the city. Mr. Smith: We need to discuss the current state of our financial affairs.

Mr. Jones: I agree. Our profits have been declining, and we need to find a solution.

Mr. Johnson: I propose that we increase our advertising budget to attract more customers.

Mr. Smith: That sounds like a good idea. How much do you think we should allocate for this purpose?

Mr. Brown: I suggest we increase our advertising budget by 20%.

Mr. Thompson: I second that motion. I believe it will be worth the investment.

Mr. Jones: Agreed. Let's proceed with the increase.

Mr. Smith: We will implement this decision at our next meeting.

Your sister returned to bed early this evening, and so did I.

I am not sure what she meant when she said she was feeling better, but I hope that she is. She seems to be getting better.

I had to go out earlier than usual this morning, but I managed to get everything done on time. I was feeling quite well, and I hope that I will be able to continue in this manner.

I had a quick breakfast before leaving, and I hope that I will be able to have a better one tomorrow.

I am sorry that I was not able to write more today, but I hope that I will be able to do so tomorrow.

A block of land, valued at $1000, was sold by the Monroe City Board of Education to the town of North St. Peter, for the sum of $200. The money was to be paid in ten equal installments, with interest at the rate of 6% per annum. The terms of the sale were: 

- The first installment of $20 would be paid on the day of the sale. 
- Each of the remaining installments of $20 would be due on the same day of the year for four years. 
- The total amount due was $160. 
- If any installment was not paid on time, a penalty of 10% of the amount due would be imposed. 

The sale was contested by several residents of the town, who claimed that the property was not suitable for educational purposes. 

*March 21st.*

The sale was approved by the court, and the money was transferred to the Monroe City Board of Education. 

*March 22nd.*

The money was paid in full, and the property was conveyed to the town of North St. Peter.
