Mr. Hamlin then moved that the Board advise the Shaw State Bank that it will be admitted to membership, but that the Board is not prepared at the present time to pass on its application for lower reserves, the bank to be advised, however, that after it has been in operation for a reasonable time, it may renew said application.

Unanimously carried.
The Committee on Examinations reported on a letter dated November 20th, from the Assistant Federal Reserve Agent at San Francisco, transmitting application of the Mercantile Trust Company of San Francisco, to take over the Contra Costa County Bank of Pittsburg, California, and to establish a branch in its premises; the Committee recommending approval in view of the fact that the application has the approval of the state authorities and of the Federal Reserve Bank of San Francisco, and in view of the policy adopted by the Board on November 7, 1923.

Upon motion of Mr. Hamlin, the application of the Mercantile Trust Company was approved, Governor Crissinger and Mr. Miller not voting.

Mr. Hamlin referred to the Board's action at the meeting yesterday in voting that all permissions for interlocking directorates granted under the Kern Amendment to the Clayton Act be reviewed by January 1st, and Mr. Miller presented a form of letter to all Federal Reserve Agents requesting a comprehensive review of the situation affecting interlocking directorates in the various districts, and requesting the Agents to include in their reports a recommendation as to the proper disposition of each case.

Mr. Miller moved that the letter to all Federal Reserve Agents be approved.

Mr. Hamlin moved as a substitute for Mr. Miller's motion that the letter be amended by striking out the last sentence, to wit: "Include in your report a recommendation as to the proper disposition of each case".
