The Governor further stated that he had talked with the Secretary regarding the suggested explanation in the Annual Report of the proposal to state separately the note and deposit reserve ratios in the weekly consolidated statement, and that while the Secretary approved of the plan in principle, he did not believe that it would be expedient to make any announcement regarding it at the present time.

Memorandum dated February 20th from Counsel referring to letter dated February 20th from the Chairman of the Federal Reserve Bank of Atlanta, with regard to the desire of the Commercial Bank Trust and Title Company of Miami, Florida, to use an electric sign containing the words "Member Federal Reserve Bank"; Counsel stating that this form of advertising is not sufficiently misleading to make it objectionable unless the word "member" is made very obscure and the word "bank" is featured to such an extent in connection with the words "Federal Reserve" as to give the impression that the bank using such sign is itself a Federal Reserve bank.
After discussion Mr. James moved that the Federal Reserve Bank be advised that if the word "bank" is used on the sign, the word "stockholder" should be used above the words "Federal Reserve"—otherwise the words "Member Federal Reserve System" must be used.

Mr. Platt moved as a substitute that while the Board would permit the use of the words "Member Federal Reserve System" the Bank be advised that it sees no reason for objecting to the words "Member Federal Reserve Bank".

Mr. Platt's substitute motion being put by the chair was lost, the members voting as follows:

Mr. Platt, "aye"
Mr. Hamlin, "aye"
Mr. Cunningham, "aye"
Mr. Crissinger, "no"
Mr. Miller, "no"
Mr. James, "no"

Mr. Miller then moved as a substitute for Mr. James' motion that a bank inquiring as to what is the proper advertisement of its connection with the Federal Reserve System be advised that the Board approves of its advertising that it is a "Member of the Federal Reserve System" but objects to the form of advertising that it is a "Member of the Federal Reserve Bank".

Mr. Miller's motion being put by the chair was carried, the members voting as follows:

Mr. Miller, "aye"
Mr. James, "aye"
Mr. Cunningham, "aye"
Mr. Platt, "no"
Mr. Hamlin, "no"
Governor Crissinger "not voting"

Upon motion, the recommendation made in Counsel's memorandum was approved.

Upon motion, the proposed letters were approved.

Davis, submitting a revised statement of his account for services rendered in connection with the par clearance cases, the balance due being $26,222.99; the Law Committee recommending approval of the fee and its payment in accordance with the terms of the Board's letter to all Federal Reserve Banks of January 31, 1923.

Upon motion, the proposed letter to Mr. Perrin was approved.

Mr. James' motion being put by the chair was carried, Mr. Hamlin voting "no".
