A meeting of the Federal Reserve Board was held in the office of the Federal Reserve Board on Thursday, October 15, 1925 at 11:10 a.m.

PRESENT: Vice Governor Platt
Mr. Hamlin
Mr. James
Mr. McIntosh
Mr. Eddy, Secretary

Mr. W. H. Kettig, Chairman of the Board of Directors of the Birmingham Branch of the Federal Reserve Bank of Atlanta, was also present and submitted and discussed with the Board plans and specifications for the proposed building to house the Birmingham Branch, which have been approved by the Board's Consulting Architect, and by the Building Committees and Boards of Directors of the Birmingham Branch and the Federal Reserve Bank of Atlanta. He stated that the cost of the building proper would come well within the limitation of Section 10 of the Federal Reserve Act. He estimated that the total cost of the completed building would be about $400,000, the lot costing $125,000, the building proper $190,000, the vault $40,000, with the balance for permanent equipment, furniture and fixtures.

After discussion, Mr. Hamlin moved that the Board approve the plans and specifications for the proposed branch bank building at Birmingham submitted by Mr. Kettig, which have been approved by the Board's Consulting Architect, and interpose no objection to the Federal Reserve Bank of Atlanta proceeding with the erection of a building at Birmingham in accordance therewith.

Unanimously carried.

Mr. Kettig then withdrew from the meeting.
