Memorandum from the Secretary dated March 27th advising that in accordance with the request of the Board made at its meeting on March 23rd, the recent Governors' Conference appointed a special committee consisting of Messrs. Harding, Fancher, Young, Bailey and Talley to confer with the Board and to aid it in reaching a conclusion with respect to the question of the continuance of the non-cash collection function of the Federal Reserve banks; the Secretary stating that on March 24th following adjournment of the Conference an informal meeting was held with the Committee but no conclusion was reached, and it was understood that the members of the Committee will transmit to the Board by letter their views on the question under consideration.

contemplates a meeting with the Board on April 5th and the rendition of a report covering the whole subject of bank examinations.

Report of Committee on Salaries and Expenditures with reference to the action of the Federal Reserve Agents' Conference of November, 1925, in adopting a resolution to the effect - "That it is not necessary that an Assistant Federal Reserve Agent be appointed in any branch at which unissued Federal Reserve notes are not carried"; the Board's Committee stating that it concurs in the view of the Agents, as expressed in the resolution and recommending that same be adopted as a ruling of the Federal Reserve Board.

Upon motion by Mr. Cunningham, it was voted that Counsel be instructed to prepare a formal ruling giving effect to the resolution adopted by the Conference.

Mr. Hamlin then referred to the action of the Board on March 23rd in referring back to the Law Committee draft of a further letter to the Federal Reserve Agent at New York, regarding the absorption of the Central Park Bank and the Riverside National Bank, both of Buffalo, by the Manufacturers and Traders Trust Company of Buffalo, and the absorption of the Flatbush State Bank by the Mechanics Bank of Brooklyn; the proposed letter requesting the Federal Reserve Agent to investigate and furnish the Board with certain further information regarding the consolidations. Mr. Hamlin stated that in view of the fact that since
the Board's letter of February 15th to the Federal Reserve Agent at New York he has been furnishing the Board with full information regarding consolidations, etc. he did not believe the proposed further letter should be transmitted.

Mr. Hamlin moved that the Board note without objection the consolidations referred to, and that the proposed letter be laid on the table.

Carried.

Mr. Hamlin then referred to the Board's action of March 9th in voting that Washington be designated as the future meeting place of the Open Market Investment Committee, except when the Committee is authorized by the Board to meet elsewhere, and in accordance with the informal request made of him several days ago submitted the following resolution:

"WHEREAS, on March 9, 1926, the Federal Reserve Board passed the following resolution:

'That Washington be designated as the future regular meeting place of the Open Market Investment Committee, except when the Committee is authorized by the Board to meet elsewhere.'

Now, therefore, the Governor is authorized and directed to arrange, from time to time, with the Chairman of said Committee, meetings at other places than Washington, at such times and at such places as may be desirable from the nature of the business to be transacted, and as may serve the convenience of the Board and said Committee."

Thereupon ensued discussion, during which Mr. Miller suggested that the proposed resolution be amended to read as follows:

"WHEREAS, on March 9, 1926, the Federal Reserve Board passed the following resolution:
"That Washington be designated as the future regular meeting place of the Open Market Investment Committee, except when the Committee is authorized by the Board to meet elsewhere."

Now, therefore, the Governor is directed to advise, from time to time, after consultation with the Chairman of said Committee, when in his opinion it is desirable from the nature of the business to be transacted that meetings of the Committee be held at places other than Washington."

After discussion, upon motion by Mr. Hamlin, the above resolution, as amended, was adopted, Governor Crissinger voting "no".
