A meeting of the Executive Committee of the Federal Reserve Board was held in the office of the Federal Reserve Board on Saturday, May 9, 1931, at 10:15 a.m.

PRESENT: Governor Meyer
Mr. Hamlin
Mr. Miller
Mr. James
Mr. McClelland, Assistant Secretary.

PRESENT ALSO: Mr. Wyatt, General Counsel.

Mr. C. S. Newhall, Executive Vice-President, and Mr. William Voetsch, Comptroller, of the Pennsylvania Company for Insurances on Lives and Granting Annuities, Philadelphia, Pennsylvania, were also present in connection with the request of that institution that the Board reconsider its ruling of July 6, 1930 that as a result of a consolidation on March 29, 1930, with the Colonial Trust Company of Philadelphia, the Pennsylvania Company is subject to all of the conditions of membership previously prescribed for and accepted by both of the old corporations, including one imposed on the Colonial Trust Company, that except after applying for and receiving the permission of the Federal Reserve Board it shall not acquire an interest in any other bank or trust company, through the purchase of stock in such other bank or trust company.

Mr. Newhall explained that through oversight, he was not acquainted with the Board's ruling, and that in line with its previous policy the Pennsylvania Company, which at the time of the merger with the Colonial Trust Company, held 100,000 shares of stock of the Real Estate-Land Title and Trust Company, has since the merger acquired 8,930 additional shares of stock in that company, 2,000 shares of the stock of the Chase National Bank of New York, and 2,211 shares of stock in the Philadelphia National Bank of Philadelphia.
The general policy of the Board with respect to purchases of stock in other institutions by state member banks was discussed.

Mr. Newhall stated that the Pennsylvania Company would like very much to regain its right to make investments in stock of other banks, and that it is not the policy to make purchases for the purpose of acquiring control of other institutions. Mr. Newhall advised the Committee, however, that it would be agreeable to the Pennsylvania Company if it could be permitted to carry out the investment program which it has in mind, involving further purchases of stock in the Real Estate-Land Title and Trust Company to bring its total holdings to not to exceed 125,000 shares—that is, 16,070 additional shares, as well as the purchase of up to a total of 4,000 shares each of the Chase National Bank of New York and the Philadelphia National Bank of Philadelphia.

It was suggested to Mr. Newhall that written application be filed with the Board for permission to make the additional purchases mentioned. Thereupon Mr. Newhall and Mr. Voetsch withdrew from the meeting.

The Assistant Secretary then presented the following communications which were considered and acted upon by the Executive Committee, as set out below.

Matters approved by the Executive Committee informally yesterday, under the authority granted by the Board, namely, telegrams dated May 8th from the Chairmen of the Federal Reserve Banks of Chicago and St. Louis, advising that the Executive Committees of the banks, under authority of their boards of directors, voted to establish rediscount rates of 2 1/2% on all classes of paper of all maturities, effective the first business day following that on which approved by the Federal Reserve Board.
Upon motion, the informal action of the Committee in voting to approve the rates of 2 1/2% established at the Federal Reserve Banks of Chicago and St. Louis, effective today, was ratified.
