A meeting of the Board of Governors of the Federal Reserve System was held in Washington on Friday, February 9, 1945, at 10:40 a.m.

Mr. Szymczak
Mr. McKee
Mr. Draper
Mr. Evans
Mr. Morrill, Secretary
Mr. Carpenter, Assistant Secretary
Mr. Thurston, Assistant to the Chairman
Mr. Smead, Director of the Division of Bank Operations
Mr. Thomas, Director of the Division of Research and Statistics
Mr. Vest, Assistant General Attorney

Chairman Eccles reported for the information of the Board that he had an appointment this afternoon to see Senators Wagner and Tobey, members of the Senate Banking and Currency Committee, with respect to the bill which would reduce the reserves required to be maintained by Federal Reserve Banks and would extend the authority of the Federal Reserve Banks to pledge Government securities as collateral for Federal Reserve notes. He also said that he proposed to discuss with the Senators the bill to amend section 13(b) of the Federal Reserve Act relating to industrial loans.

Telegrams to Messrs. Treiber and Clouse, Secretaries of the Federal Reserve Banks of New York and Cleveland, respectively, Mr. Leach, President of the Federal Reserve Bank of Richmond, Mr. Dillard, Vice President of the Federal Reserve Bank of Chicago, Mr. Stewart, Secretary
of the Federal Reserve Bank of St. Louis, Mr. Powell, First Vice President of the Federal Reserve Bank of Minneapolis, Mr. Caldwell, Chairman of the Federal Reserve Bank of Kansas City, Mr. Gilbert, President of the Federal Reserve Bank of Dallas, and Mr. Earhart, Vice President of the Federal Reserve Bank of San Francisco, stating that the Board approved the establishment without change by the Federal Reserve Banks of St. Louis and San Francisco on February 6, and by the Federal Reserve Banks of New York, Cleveland, Richmond, Chicago, Minneapolis, Kansas City, and Dallas on February 8, 1945, of the rates of discount and purchase in their existing schedules.

Approved unanimously.

Before this meeting there was circulated among the members of the Board a memorandum dated January 15, 1945, from Mr. Carpenter suggesting, for the reasons stated in the memorandum, that the following letter be sent to the Federal Reserve Agents and Presidents at all of the Federal Reserve Banks:

"In its letter of January 2, 1940, (S-197), the Board of Governors authorized a reduction to $10,000 in the amount of the individual surety bonds required of the Federal Reserve Agents, Assistant Federal Reserve Agents, Alternate Assistant Federal Reserve Agents, and Federal Reserve Agent's Representatives at each of the Federal Reserve Banks. This action was taken with the understanding that the bankers' blanket bond carried by the Federal Reserve Banks was the revised bankers' blanket bond for the Federal Reserve Banks prepared by the Insurance Committee of the Presidents' Conference and a committee representing the Surety Association of America.
"The Board is of the opinion that the existing bankers' blanket bonds afford protection to the United States which is not identical with, but as a practical matter is generally equivalent to, that provided by the surety bonds, and it has been suggested that the surety bonds be discontinued altogether. The Board is inclined to agree with this suggestion, but inasmuch as any action that it might take in this connection would be of interest to the Federal Reserve Banks and the Federal Reserve Agents, it would like very much to have the views of the Federal Reserve Agent and President at each of the Banks concerning the suggestion. It will be appreciated, therefore, if you will consider the matter and advise whether you see any objection to the discontinuance of the surety bonds of the Federal Reserve Agent and his assistants now required by the Board.

"This letter is being sent to the Federal Reserve Agent and President at each of the Federal Reserve Banks."

Approved unanimously.

Mr. Evans stated that the Board had received a reply to its letter of January 30, 1945, to President Williams, Chairman of the Presidents' Conference Committee on Research and Statistics, and that Mr. Williams had stated that he believed the procedure outlined in the Board's letter for handling recommendations of the System Research Advisory Committee was a constructive step and should greatly facilitate cooperative efforts in developing System research work.

At this point Messrs. Smead, Thomas, and Vest withdrew from the meeting.

The action stated with respect to each of the matters herein-after referred to was then taken by the Board:

Sloan, Federal Reserve Examiner, while he was on official business in Memphis, Tennessee, and Dallas, Texas. The memorandum stated that, because of the unavailability of the usual Pullman accommodations allowed by the Board's travel regulations, it was necessary for Mr. Sloan to accept a bedroom on the trip from Washington, D. C., to Memphis, and recommended that payment of the voucher, including the additional charge of $6.25 for the bedroom, be approved.
