The minutes of the meeting of the Board of Governors of the Federal Reserve System held on January 21, 1946, were approved unanimously.

Memorandum dated January 16, 1946, from Mr. Thomas, Director of the Division of Research and Statistics, recommending that Miss Florence Irene Jaffy be appointed as an Economist in that Division on a temporary basis for an indefinite period, with salary at the rate of $2,980 per annum, effective as of the date upon which she enters upon the performance of her duties after having passed the usual physical examination. The memorandum stated that Miss Jaffy would become a member of the Federal Reserve Retirement System.

Memorandum dated January 17, 1946, from Mr. Thomas, Director of the Division of Research and Statistics, recommending that Mrs. Mary L. Weedon be appointed as a clerk in that Division on a temporary basis for an indefinite period, with salary at the rate of $1,968 per annum, effective as of the date upon which she enters upon the performance of her duties after having passed the usual physical examination and subject to a satisfactory check of her references. The memorandum stated that Mrs. Weedon would probably become a member of the Board of Governors' Plan of the retirement system.

Approved unanimously.

Letter to Mrs. Valerie R. Frank, Secretary of the Retirement Committee, Retirement System of the Federal Reserve Banks, reading as follows:

"Mr. Walter Wyatt, General Counsel, is planning to retire effective March 1, 1946, after almost 29 years of service with the Board. He is a member of the retirement system under the Bank Plan, and his application for special service retirement is enclosed.

In connection with his retirement, the Board has authorized a supplemental payment to the retirement system under an extension of the formula set forth in the Board's letter of March 17, 1944, S-741; i.e., of the amount necessary to provide that the pension portion of his retirement allowance, instead of being reduced actuarially for age, be the same as if he were 65 at date of retirement reduced by 2½ per cent for each year he lacks of being 65.

"It will be appreciated if you will advise us of the amount of the necessary contribution."

Approved unanimously.

Letter to Mr. Tiebout, Assistant General Counsel of the Federal Reserve Bank of New York, reading as follows:

"This will acknowledge with thanks your letter of January 19, informing the Board that you expect to grant Mr. Edouard d. Eller leave of absence for one year without pay if arrangements between him and the War Department are completed for him to serve abroad with the Office of Military Government, European Theatre. The Board has no doubt that Mr. Eller's services will be useful to the Office of Military Government and sees no objection to them being made available as you indicate."

Approved unanimously.

Letter to the "Dillsboro State Bank," Dillsboro, Indiana, reading as follows:

"The Board is glad to learn that you have completed all arrangements for the admission of your bank to membership in the Federal Reserve System and takes pleasure in transmitting herewith a formal certificate of your membership.

"It will be appreciated if you will acknowledge receipt of this certificate."

Approved unanimously.

Letter to Mr. Robert V. Fleming, President of The Riggs National Bank, Washington, D. C., reading as follows:

"This is in reply to your letter of January 21, 1946, asking whether a loan by a bank to finance the purchase of stock of your bank would be subject to the Board's Regulation U.

"Regulation U is applicable to loans for the purpose of purchasing any stock registered on a national securities exchange. Although the stock of your bank is listed and traded on the Washington Stock Exchange, it is at present exempt, by action of the Securities and Exchange Commission, from the requirement of the Securities Exchange Act that a registration be effective. Accordingly, your
"stock is not a stock registered on a national securities
exchange for purposes of Regulation U and no bank would
be subject to the terms of the regulation in making a loan
for the purpose of purchasing the stock.

"Under Regulation T, applicable to the extension of
credit by brokers or dealers in securities, the status of
the stock is, by virtue of a special rule of the Commis-
sion, identical with that of a registered security. This
means, at present, that with the recent change in margin
requirements brokers and dealers are not permitted to ex-
tend any credit at all in connection with the purchase of
your stock."

Approved unanimously.

Memorandum dated January 16, 1946, from Mr. Thomas, Director
of the Division of Research and Statistics, recommending, for the
reasons stated in the memorandum, (1) that the legal texts and the
accompanying reports of the Paraguayan legislation with respect to
monetary and banking reform recently carried out in Paraguay as a
result of the Board's mission to that country be printed as a Board
publication in pamphlet form, (2) that an edition of 1,000 copies,
the cost of which is estimated to be approximately $800, be printed,
and the appropriate classification in the budget of the Division of
Research and Statistics for the year 1946 be increased by an amount
sufficient to cover the cost, (3) that the initial distribution of
the pamphlet be made by the Publications Section of the Division of
Administrative Services on the basis of a list submitted by the In-
ternational Section of the Division of Research and Statistics, and
(4) that, aside from the initial distribution, copies of the pamphlets
